

*An Introduction to Called to
Canaan - Volume 3*

Coming next in Volume 3 is the finishing of the process. In that volume, especially in the last ten campsites, we will come to grips with the strain of threats and the strategies of spiritual warfare. We will often find parallels to the conflicts and horrors pictured in Revelation, and by this preview come to better understand our defense, and our protection through the Trumpet judgments of Revelation. We will be in direct combat with demons. We must be suited in the Armor provided for our war with Appolyon and the locust from the pit, -all pictured in the last leg of this prophetic journey with Israel.
