

# A New "Biblical" Calendar?

## Refutation of "Extra Light on the Sabbath" DVD Series

Lighted Way Ministries  
Newsletter

March-April, 2011  
Issue 22

We are sending you this enclosed DVD, titled Refuting the Extra Light on the Sabbath, as a gift. The sermon on this enclosed DVD was given at our most recent Webinar, which aired on Sabbath afternoon, March 26, 2011. This is a special mailing which will be sent in place of the usual *Lighted Way Ministries* March-April newsletter.

What is so important that it should cause us to replace the expected newsletter in this manner? Recently, a series of five DVD's titled Extra Light on the Sabbath were mailed to many of the people on Lighted Way Ministries' mailing list. This mailing was done by a third party, and the speaker on the DVD series had nothing to do with it. The fruit of this DVD mailing has been quite serious. We have spent the past couple of weeks on the telephone with caller after caller who were finding either errors, or truths, or both, on this series of DVD's. Several who received the DVD's did not call us, but received calls from us, as we were impressed to make the contact. Through these phone calls, we were able to clearly discern two things, which have prompted us to make this enclosed DVD:

1. The Extra Light on the Sabbath DVD's were producing dangerous fruits among the body of feast keepers.
2. The folks who had attended Lighted Way Ministries campmeetings, in the past, seemed to be the notable targets to receive these DVD's. In other words, these DVD's were directly affecting many on the Lighted Way Ministries' mailing list.

We noted with growing concern that the fruits of the Extra Light on the Sabbath DVD series were quite alarming. Some expressed to us that these DVD's had taught them to consider the *Book of*

*Jubilees* a missing book of the Bible. These were preparing to read the *Book of Jubilees* with new eyes, elevating it to equal standing with Scripture. Some had come to believe that the *Torah* itself should include the *Book of Jubilees*. Adding to Scripture is serious enough, but adding to *Torah* is something we're clearly commanded not to do in Deuteronomy 12:32. *What thing soever I command you, observe to do it: thou shalt not add thereto, nor diminish from it.*

Another serious fruit was regarding the Biblical calendar. In the Extra Light on the Sabbath DVD series, a calendar is proposed for determining *YHWH's* feasts which is accomplished by a count without the New Moon. This may not appear as serious, at the outset, but the fruit of it was that several were preparing to deny themselves and their families the blessing of fellowshiping at the upcoming feast, believing the moon-based timing of Passover-Unleavened Bread to be incorrect.

This wasn't an issue of people not coming to Lighted Way Ministries' campmeeting in Roseburg. We encourage people to attend any of the feast-keeping camps which *YHWH* impresses them to attend. Many, on our mailing list, alternate between fellowshiping with us or with sister camps. Our concern was that these folks weren't going to be blessed by fellowshiping anywhere, which is contrary to the Biblical injunction in Hebrews 10:25, *Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and **so much the more**, as ye see the day approaching.*) And these were just two of the concerning results of folks receiving these DVD's.

Fielding phone calls in the response to the Extra Light on the Sabbath DVD series allowed us to see the magnitude of this spiritual firestorm. *(continued)*

*"Thy Word is a Lamp unto my feet, and a Light unto my path,"*

Ps. 119:105

Lighted Way Ministries

A New “Biblical” Calendar? from page 1... Additionally because those on the Lighted Way Ministries’ mailing list were being specifically targeted, we prayerfully believed it was our responsibility to respond. But, simply addressing the issues with folks who called us was not enough. We could see, from the phone calls we were impressed to make ourselves, that the concepts from the Extra Light on the Sabbath DVD’s were beginning to take hold on the hearts. And after spending hours on the phone showing, from Scripture, the errors in these teachings, we were exhausted and felt that a person-by-person approach was ineffective. It was a bit like running after a firestorm with a gunnysack. Certainly we couldn’t hope to address the spiritual damage being done, one phone call at a time. We sincerely felt the need to get in front of the fire and create a firewall, to use an analogy.

When we studied the concepts presented on the Extra Light on the Sabbath DVD series, we found truth mixed with error. These errors were not new to us. We had encountered these teachings before in the Messianic Movement. As is explained further on the enclosed DVD, the Jesuits were the undercurrent which birthed the Zionist Movement. The Zionist Movement then gave rise to the Messianic Movement. As a result, many of the Jesuit teachings and goals are present in the Messianic Movement. Fundamentally, the Jesuit goals include: undermining the Scriptures and preparing the world to worship the anti-christ power, soon to be set up in Jerusalem. These teachings also include a false use of the Hebrew Language and elevating non-Scriptural works. Having searched these principles out before, we discerned these teachings and were to quick to recognize their poisonous root system.

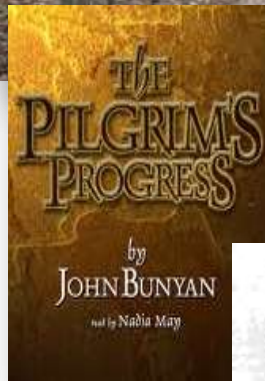

**It must be clearly stated here that it NOT the intention or desire of Lighted Way Ministries to, in any way, attack or undermine the dear brother who happens to be the speaker on the Extra Light on the Sabbath DVD series.** There is much truth in his teachings. He may well be a

sincere seeker for truth, as are all of us. Thus, his name is never given on the enclosed DVD. We prayerfully intend to only address the teachings, which originated from the dangerous parallel path of the Messianic Movement.

Sending you the enclosed DVD is our attempt to alert you and your family to some of the dangerous teachings gusting through feast-keeping. We believe this to be our loving responsibility, as it says in Isaiah 62:10:

*Go through, go through the gates; prepare ye the way of the people; cast up, cast up the highway; gather out the stones; lift up a standard for the people.*

May you be blessed as you continue to study the Bible and follow YHWH’s Path of Truth. *Prove all things; hold fast that which is good*, 1 Thessalonians 5:21. And may you never seek the Life-giving water of Truth from the polluted parallel path (a principle which is more thoroughly explained on the enclosed DVD).

## An Excerpt From Pilgrim’s Progress

(quoted from Little Pilgrim’s Progress, p 105-106)

*The little pilgrims left the Valley of Peace in the morning and traveled along the Way of the King (the straight path leading to the Kingdom) all that day. Late in the afternoon they came to a place where a stile led into a broad green meadow. It was called By-path Meadow (because it is similar to the Way of the King, containing much truth, but is not actually the King’s land)... It belonged to a cruel and powerful giant.... (who was) one of the most famous soldiers in the Wicked Prince’s army...*

*The boys were feeling very tired... Christian stopped when he saw the stile, and leaned over it. A fence divided the meadow from the Way of the King, but a smooth grassy path ran close to it.*

*“Could we not walk along this path for a little way?” he said, turning to Hopeful. “The stones (in the King’s Way) are so hard, and my feet ache dreadfully (the parallel path is more comfortable).”*

*“So do mine,” answered Hopeful, “but would it be safe (to leave the Way of the King)?”*

*“Oh, I think it must be,” said Christian. “See it runs close to the fence (it parallels the King’s way because it contains much truth, but it isn’t the King’s Way because it also contains error). We could climb back again anywhere in a minute.”*

# Changes and Updates for Passover – Unleavened Bread, 2011

---

On another note, several have expressed a desire to join us for Passover, April 18, 2011 via LIVE Webinar broadcast (starting at 5:00 PM). The entire Unleavened Bread Retreat will also be broadcast in this manner. To join us, virtually, for this upcoming feast, visit our Webinar information page on Lighted Way's website at <http://www.lightedway.org/html/live.html>. To view the sermon titles and schedule for the upcoming retreat, visit our Passover Schedule page at <http://www.lightedway.org/html/Passover%20Webinar%202011.html>. **If you plan to join us for this upcoming retreat via the Webinar, please call ASAP and let us know.** We need to know how many will be accessing the feast with Webinar ahead of time because we have a package with Webex which only allows for 25 computers to access the Webinar at any given time. For normal Sabbath Webinars, this has been a big enough usage plan. But, if there are more than 25 households planning to join the feast via Webinar, we can change our Webex plan to accommodate the need if we know in advance.

You may also participate in this retreat via the telephone (conference call), the phone number (in the United States and Canada) is: 1-408-600-3600. **The access code for the entire retreat is: 807 317 651.** There is no charge to join the upcoming feast via the Internet. The conference call will cost you the amount of a long-distance phone call (so it is cost-effective to have a calling plan that allows you unlimited long-distance calling). And as always, all of the retreat sermons will be available on DVD immediately following the retreat (by April 26, 2011).

We are enclosing an updated copy of the upcoming Passover/Unleavened Bread Campmeeting Schedule as there have been some noteworthy changes. The most significant of these changes is the addition of another speaker. Normally, we do not schedule an adult meeting during the Children's and Teen's program time. However, we are making an exception this time, due to the importance of the message. YHWH has worked things out for Dr. David Perry to come and share with us. David will be teaching about the Covenant and showing Messiah's Death on Passover from the framework of the Abrahamic Covenant in Torah. We are truly looking forward to this additional presentation and believe it will be a great blessing to all.

For families with children and teens, we are excited to offer special programs designed to bless the youth as well. Lead by Danette Davis, the children's program (for ages 5-12) will be on Christian Character Development through perspectives on nature and Bible stories. The children's program hour will include songs, stories, crafts, and more. The teen program will focus on the first seven Commands of Christ. This program will be lead by Shauna Manfredine and will include fun learning activities and interactive Bible studies.

We pray you and your family will be unleavened and prepared for Pentecost as you celebrate the upcoming Spring Feasts. And may you be blessed with Truth wherever you gather.

In His Service,

*Mark and Shauna Manfredine*

**Exodus 12:11-15** *And thus shall ye eat it... [YHWH's] Passover... And this day shall be unto you for a memorial; and ye shall keep it a feast to [YHWH] throughout your generations; ye shall keep it a feast by an ordinance for ever. Seven days shall ye eat unleavened bread; even the first day ye shall put away leaven out of your houses: for whosoever eateth leavened bread from the first day until the seventh day, that soul shall be cut off from Israel.*

**1 Corinthians 5:7-8** *Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even Christ our passover is sacrificed for us: Therefore let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth.*

**Hebrews 10:23-25** *Let us hold fast the profession of our faith without wavering; (for He is faithful that promised). And let us consider one another to provoke unto love and to good works: Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.*
