CAMP HATIKVAH

The picture above shows the main building where we'll be holding the meetings. There are 13 duplex cabins to accommodate 92+ people reserved for this retreat. Each private cabin (half a duplex) has bunks for 4-6 people. Cabins have heat, light, a closet and a small sitting space.

Looking Forward to Fall Camp Meeting! October 2-11, 2009

Many of you have been calling and inquiring about the expected Feast of Tabernacles Camp meeting. We share your excitement about the coming fall festivals. Each one takes us one step closer to THE one when our dear Saviour returns!

In addition feast camp meetings afford *Yeshua's* last day people a much needed spiritual rejuvenation with like-minded believers.

This Tabernacles Lighted Way Ministries will not be hosting a retreat in Oregon. Instead, we will be accepting the gracious invitation of our friends

Chris and Shelley Roose and will be taking the meetings and messages to British Colombia, Canada! See the enclosed brochure for the location details.

The actual Feast of Tabernacles starts on Sunday, October 4. Starting the camp meeting on this day would put the natural camp arrival-set-up day on the Seventh-day Sabbath (October 3rd). Naturally, we don't want to schedule things this way, so the Lighted Way Ministries Fall Retreat will begin on Friday, October 2nd. This will allow everyone to get set up and ready for camp meeting before the Sabbath. It will also allow us all an extra evening (Friday) and day (Seventh-day Sabbath) for the retreat! And for any of you who have enjoyed *YHWH's* holy day gatherings as we have, more time is wonderful news!

YHWH has blessed the Roose's in finding just the right camp facility. It is called Camp Hatikvah. Because of the colder weather in Canada at this time of the year, campers will be glad to know that we'll have heated cabins to stay in as we feast upon the Word and fellowship together!

There will be new meetings and workshops all relevant to *YHWH's* final Elijah team. There will be two vegan banquets. We are also looking forward to a special children's program, which will be lead/taught by our daughter Katy.

With all of the prayers ascending for *YHWH* to be glorified, we believe this retreat is one you won't want to miss. But, if you cannot attend, you will be glad to know that we're taking our mobile recording studio with us. So, all the meetings from this exciting Tabernacles Camp Meeting will be available on DVD by October 13th. For more information on the scheduled meetings, see our enclosed schedule table, website or: <http://tabernacles2009.blogspot.com/>

Luke 21:27-28 *"And then shall they see the Son of man coming in a cloud with power and great glory. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh."*

“Blow up the trumpet in the new moon, in the time appointed, on our solemn feast day. For this was a statute for Israel, and a law of the God of Jacob.”

Feast of Trumpets & Atonement Plans –

Fall '09

We will be hosting a special weekend for keeping the **Feast of Trumpets** at the Noah's Ark facility, in Winston, this year.

Our Trumpets celebration will start on Sabbath, September 19th at 10:00 AM. Meetings will run throughout the day. We will provide a hot, vegan lunch for all who attend. We are asking \$5.00 per person to help cover food costs. Please RSVP and pay Lighted Way Ministries no later than September 18th, as we will not be collecting food money over the Sabbaths. We will also meet all day on Sunday, September 20th (which is actually the Feast of Trumpets). Once again a hot meal with \$5.00 charge will be provided.

We ask that everyone RSVP by calling us at (541) 672-1514. This helps us make sure we have enough seating, food and materials to meet the need.

For the Day of Atonement (Tuesday, September 29), we will again start at 10:00 AM. We will be fasting in observance of this day, so there will not be a potluck. All are welcomed!

A Weekend of Miracles!

A few months back we were given an invitation to share with a home church group located only a few hours' drive from our home. As we view such invitations as Divine appointments, we gladly and prayerfully accepted.

We shared with this home-church group throughout a very delightful Sabbath. Topics included our newest annual Sabbath talk (which will be put on DVD for the first time while we're in Canada at Tabernacles) titled: Sabbath Through the Ages.

When the Sabbath drew to a close, we laid out some of our available DVD's, books and materials for people to take home. Some of the group took home our Keys to Living Like You've Been Saved Workshop DVD's among other things.

Not long ago we learned that the group had watched the Keys workshop DVD's, read the Keys booklet (from that series), and several families were now interested in having prayer and anointing sessions. We praised YHWH for the wonderful work He had been doing with this precious group and eagerly accepted the call to return for this purpose.

It turned out to be a busy weekend with four households desiring prayer and anointing sessions! We were touched by the depth of commitment as husbands and wives and whole families expressed their sincere intent to belong fully to YHWH.

For those of you who are not familiar with what a prayer and anointing session is (we recommend reading our Keys to Living Like You've Been Saved booklet – which is readable on our website, or we'll send you a copy), the biblical injunction to perform such a service is given in James 5:13-16. It reads, ***“Is any among you afflicted (is the enemy affecting you in any way)?... Is any sick (mentally, physically, spiritually, or sick in any other way) among you? Let him call for the elders of the church (those that have been anointed and longer in the faith); and let them pray over him, anointing him with oil in the name of the Lord. And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him. Confess your faults (faults are not specific sins, but rather they are the strongholds or root causes from which sins spring) one to another, and pray one for another, that ye may be healed (This is total healing of body, soul, mind). The effectual fervent prayer of a righteous man availeth much.”***

There were a couple of very special anointing highlights from this extraordinary weekend that we thought would inspire and encourage you. The first demonstrates how YHWH is deeply involved in anointings and even miraculously insures that all areas needing to be prayed over are brought to the recipient's attention.

One lady expressed concern over the fact that every time she tried to think of what to put on her list of anointing prayer items a bad headache would come on. Not normally one to get such headaches, she wondered why this was happening to her. When she came to the actual prayer and anointing session, the suspicious headache returned. Knowing that this is one of the games the enemy likes to play to discourage folks from proceeding with the anointing service (which YHWH uses to remove demonic strongholds in the soul), we encouraged her to continue as planned. But after praying through the lady's list and claiming the Blood of the Lamb and Bible promises against each area, the headache still persisted.

An Update on the Oil Station Dream

Many of you have called or written to us asking about the progress on the plans for a Spiritual Oil Station, as mentioned in our prior newsletter.

We have nothing new to report in terms of a property. But, we have been impressed to step out in faith and start planning for the training that will take place anyway.

For this reason, we have begun writing a training manual for the Spiritual Oil Station. Sections in the book (representing the subject matter we are impressed to incorporate) include:

- **Victorious Christian Living** (this would involve training in intercessory prayer and spiritual warfare)
- **Torah Training** (studies into the principles of Torah)
- **Bible Study Techniques** (Hands on training on how to study the Bible)
- **Evangelism Training** (hands-on training on literature evangelism and how to preach and make Power Point sermons)
- **Health Training** (hands-on training hydrotherapy, nutrition and natural healing)
- **Organic Gardening** (how to build a greenhouse, grow organic foods and cook from what you grow)

We thank you for keeping this important project in your prayers. We truly believe this Oil Station is a needed part of helping *YHWH's* final Elijah team prepare to make a stand.

A Weekend Of Miracles - *continued from page 2*

We responded by thanking *YHWH* for allowing the headache! This was because we recognized that it was an indicator that there were still more areas which needed to be prayed over in order for this dear lady to find the complete freedom *Yeshua* had promised. Then we claimed the promise of Psalm 139:23-24, asking *YHWH* to reveal to the lady the reason (stronghold) the enemy had the right to afflict her with this headache.

Immediately, *YHWH* brought an incident to the dear sister's mind. In her youth, she had briefly been involved with speaking in tongues. Again, we laid hands on her and claimed the promises and *Yeshua's* Blood against this demonic stronghold also. The headache left her. And we praised *YHWH* for yet another indication that He takes the anointings in His own Hands. No one need worry that maybe a stronghold will slip by unawares. *YHWH* brings to the recipient's mind ALL that needs to be prayed over! And that left us very aware of the awesome love and care of our wonderful God. He truly is in the business of setting people free!

Just in case there might be some misunderstanding in reading this article, it must be said that not all headaches are directly from the devil. The reason we recognized this one to be from the enemy is that headaches were not normal for this dear lady. And her headaches mysteriously appeared every time she tried to do something related to spiritual deliverance.

The second highlight from this powerful weekend took place in the home anointing of a precious couple. They had been plagued for about two years with demonic manifestations in their home. Lights and smoke alarms went on and off. Doors would open or close. And on one occasion a cleaning solution bottle was replaced with urine. These are just a few of the unhappy harassments this poor couple had endured. Sincerely desiring to serve the Heavenly Father with their whole hearts, they wanted their home to be a place of ministry bringing glory to God.

Once the anointing session was scheduled, it didn't take long for us to realize just how much the enemy didn't want this anointing session to take place. Our family was attacked in a variety of ways. Each attack was severe enough to cause us to seriously consider cancelling the anointing with this couple. But, as the attack would drive us to our knees, we would find help from Heaven and never broke the appointment.

A physical attack happened on the morning of the anointing. We were at the breakfast table preparing to enjoy a delightful vegan meal, when Shauna was hit with stomach pain. The pain became so severe that she began to grow faint. Praying warfare prayers, Shauna managed to remain at the table without alerting anyone (other than God) to her distress. Shauna did unobtrusively slip her bowl to Mark as she couldn't eat.

In a quiet moment immediately following breakfast, Shauna asked Mark to lay hands on her and intercede on her behalf. The stomach pain lifted almost instantly.

From that point, the prayer and anointing session over the dear couple and their home went off without a hitch. *YHWH* blessed and wonderful peace filled every heart.

As we prepared to leave, the man thanked us for being instruments to bring hope to them through unfolding the Scriptural teachings of Spiritual Warfare. We all praised *YHWH* together. Since then, we have learned that they are enjoying peaceful rest and sense the blessing of *YHWH* on their home & lives. Praise *YHWH*!

The Healing Power of Zeolites!

There are several powerful healing aids the Heavenly Father has placed for us in nature. Charcoal, bentonite clay, echinacea and golden seal are just a few. About four years ago, we learned of another natural healing agent that is very effective in the home arsenal against a variety of problems. It's a volcanic mineral known as the zeolite. Zeolites were used to clean up Chernobyl.

Zeolites have several unique properties: they are honeycomb shaped (molecularly), they are negatively charged, and they move harmlessly through the blood stream attracting and caging all manners of toxins and diseases (including cancer).

The reason zeolites are so effective in trapping and removing bad things from the body is that toxins, heavy metals and diseases are attracted to the negatively charged zeolite molecule. When such an attraction occurs, the zeolite traps the bad substance within its honeycomb structure where it remains until it is safely excreted from the body.

When we learned about zeolites, we began using them in our home. We have used zeolites to help boost our immune systems, help balance our bodys' pH, and help with poison oak and acne (believe it or not). Shauna's folks (Lou and Danette Davis) and grandparents have used zeolites to effectively treat a rattlesnake bite (on a pet) and even to remove skin cancer! All of which it did very well.

In addition, a couple of years ago, Mark and Shauna were giving a series of Spiritual Warfare meetings in the Dalles area of Oregon when we met a man named Cecil with a tumorous growth in his eyelid. Seeing him in the audience, Shauna sought him out later and gave him a bottle of our zeolites. He told Shauna that he was a natural healer himself and had already tried every natural remedy he could find. But, he was willing to try this as a last resort before surgery to remove his eyelid. He started applying the zeolites to his eye the night after Sabbath. Sunday morning, he came to our host's home and excitedly told us at the breakfast table that he had slept pain-free that night. And already his eye looked better. He called us on the following Tuesday to tell us that his eyelid was fully restored and that he had cancelled the scheduled surgery! We praised *YHWH* with him!

Since then, zeolites have always been a part of our home remedy kit. And now with the potential for a forced flu shot looming over us all, we thought it might be a good

time to share it with all of you.

Having looked into zeolites a bit, we've also discovered that it matters where you get them. Because zeolites have such a powerful attracting ability, in their natural state, their molecular cage is already full. To cause the zeolite molecule to release what it is already holding and be ready to attract something new requires special processing involving extreme heat. For this reason, buying a cheap powdered form of zeolites won't render the health benefits we've just described.

We have become distributors (largely for discounts for our own use) for a company known as Waiora. This company processes the zeolites carefully. All the zeolite stories we've shared here happened with Waiora's zeolites packaged as Natural Cellular Defense (NCD).

If you would like more information or would like to try zeolites yourself, visit our Waiora website at www.mywaiora.com/365332 or call us.
