# When the Red Horse Stands in the Myrtle Trees, Will You Recognize Him?

Most Bible students are familiar with the red horse and rider from Revelation 6. But before his apocalyptic ride foretold in Revelation, the prophet Zechariah saw the red horse standing among the myrtle trees. What is meant by this vision?

Zechariah 1:8-10 "I saw by night, and behold a man riding upon a red horse, and he stood among the myrtle trees that were in the bottom; and behind him were there red horses, speckled, and white. Then said I... what are these? And the angel that talked with me said unto me, I will show thee what these be. And the man that stood among the myrtle trees answered and said, These are they whom Yahweh hath sent to walk to and fro through the earth."

Let's use Scripture to Decode this End-time vision, for it is warning...

## **RED HORSE** in the MYRTLE TREES

**Zechariah 1:8**—"I saw by night, and behold a man riding upon a red horse, and he stood among the myrtle trees that were in the bottom."

According to our Heavenly Father's Promise, every piece of the Final Events timeline has been faithfully foretold through the Scriptural prophets.

"Surely Yahweh Elohim will do nothing, but (unless, without) He revealeth His secret unto His servants the prophets." Amo 3:7

Since the Almighty has also commanded us (365 times in Scripture) not to fear, we can know that these prophetic events are not given to cause us to become fearful. Rather, they are given to bless us with the ability to prepare and rightly respond to coming events. But sadly, people have a terrible track record for missing the prophetic signs and failing to recognize Heaven's warnings. Consider the following abysmal failures to understand Heavenly prophecies—and the sobering results of these failures:

• THE FLOOD—in Noah's day,
Noah prophesied that a global
Flood was coming. Indeed,
when it finally came, the
warning of the Flood had
been foretold for 969 years
(Methuselah's lifetime)! This is
because Methuselah's name
was a prophecy which meant
that the Flood was coming. But
the people failed to believe the
prophecy. Only the family of
Noah heeded it. The Outcome:
all who failed to heed the
warning were destroyed.

MESSIAH'S FIRST ADVENT—

The 70 Week prophecy of Dan. 9 made the timing of Messiah's arrival plain. Yet when He came (as foretold), His Own people did not accept Him as the Messiah. The Outcome: those who rejected the one and only Heaven-sent Messiah lost all hope for Eternal Life.

As these examples of past failures demonstrate, the people of *Yahweh* need to understand and rightly respond to prophetic signs. As Proverbs 22:3 and 27:12 tell us: "A prudent man foreseeth the evil, and hideth himself: but the simple pass on, and are punished."

Knowing something is going to happen beforehand—and what to do about it—is the best way to prepare for, and rightly respond to, an event when it actually takes place. And it is for this purpose that our wise and loving Heavenly Father has given detailed prophetic pictures of the Last Day Events.

With this in mind, let us turn our attention to the first vision of Zechariah, recorded in Chapter One. Here, Zechariah sees the red horse and rider of Revelation 6:3-4 standing among the myrtle trees. The trees and apocalyptic horse appear in an odd "location" which the KJV calls "the bottom" (Zech. 1:8). To decipher this vision, we must know *where* it is, *when* it is, and identify the participants.

(continued)

## The Scriptural Identity of the Myrtle Trees in Zechariah's Vision...

In Scripture, trees are a prophetic symbol which represent people. This is clearly demonstrated in Judges 9:8-14, where the potential leaders were likened to kinds of trees. In this passage, to show the low moral and spiritual standing of the king, he was symbolized by an undesireable "bramble" rather than the lofty cedar or noble olive. Thus we see that types of trees portray character qualities of people in Bible prophecy.

Myrtle trees are a positive prophetic symbol. We see this by the fact that the branches of the myrtle tree are among those which were used in the *sukkahs* at the Feast of Tabernacles (Nehemiah 8:15). Myrtle branches have a double connection with *Sukkot*. Not only are they used in the *sukkahs*, they are also a part of the branches which are waved (Leviticus 23:40).

The presence of the myrtle in the *Sukkot* branches indicates that the myrtle trees represent the people of *Yahweh*. This suggestion is confirmed in the writings of Isaiah. "Instead of the thorn shall come up the fir tree, and instead of the brier shall come up the myrtle tree: and it (the myrtle tree) shall be to *Yahweh* for a Name, for an everlasting sign that shall not be cut off," Isaiah 55:13

The word "Name" in Isaiah 55:13 is from the Hebrew word *Shem*, meaning "mark of character and authority". *Yahweh's* Character mark is His Seal. The Bible also says that *Yahweh's* Endtime people will be sealed in His Name (Revelation 14:1).

Thus, we find that myrtle trees are the final saved people who are sealed in the heavenly Father's Name and who reflect His Character!

As is explained in the yellow panel on the previous page, myrtle trees are a prophetic symbol of the final saved people, who are sealed in the Father's Name. With this in mind let's take a look at the strange "location" of this vision:

"I saw by night, and behold a man riding upon a red horse, and he stood among the myrtle trees that were in the bottom..."

Zechariah 1:8

Where is the "bottom" to which this vision refers? To answer this, let's look up the word in a Strong's Concordance. "Bottom" is translated from the original Hebrew word "metsullah" (Strong's #4699) which means "shade" and is from the root (#6751) specifically referring to the time when it is "beginning to be dark".

Clearly, when Zechariah was speaking about the End-time people of Yahweh (myrtle trees) being "in the bottom" he wasn't talking about a location on a map. Rather he was speaking of a period of time in End-time prophetic events. So when is the time of "shade" when it is "beginning to be dark"? In Scripture, times of peace and prosperity are prophetically likened to "morning" or periods of light, while times of trouble and persecution are represented as "night" or periods of darkness:

"Sing unto Yahweh, O ye saints of His, and give thanks at the remembrance of His holiness. For His anger endureth but a moment; in His favour is Life: weeping may endure for a night, but joy cometh in the morning."

Psalm 30:4-5

The prophetic time of night or

darkness is the time when persecution and trouble are in full swing. Thus, the time when it is just "beginning to be dark" is the period of warning and the "beginning of sorrows" (Matthew 24) which comes just prior to the full Time of Trouble. But, as Jeremiah plainly states, the time of the "evening" "shadows" is a time of warning and woe.

"Woe unto us! For the day goeth away, for the shadows of the evening are stretched out."

Jeremiah 6:4

Just as assembling the pieces of a puzzle reveals a picture more and more, so connecting the elements of Zechariah's first vision reveals more and more of the soon-coming prophetic event it foretells. And what have we discovered so far? We have identified the myrtle trees and have discovered the meaning of the "bottom". Putting these elements of the vision together we find the following prophetic message:

When the red horse stands among the myrtle trees, it a warning to Yahweh's End-time people that the final Time of Trouble is imminent.

But while these elements of the prophecy are vital and yield a powerful message, there is still more to decipher in order to fully understand this timely prophecy. Who or what is the red horse? How will we know when he is standing among the myrtle trees? What event are we to look for which we may point to and unequivocally state: "the red horse is now standing among the myrtle trees!?"

Is Zechariah's vision this precise? Yes! In fact, the warning of the red horse

would be meaningless to the people of Yahweh if we could not recognize it when it happens. So let's turn our attention to studying this portion of Zechariah's prophecy, in order to rightly identify and recognize the red horse warning to the saved people of Yahweh.

One key element in rightly decoding Bible prophecy is using other prophecies to help us construct a prophetic timeline. 1 Corinthians 13:9 tells us that each prophet is given a part—a piece of the puzzle. And we need to get all the pieces together to see the true picture. So where else in the Bible do we find the "shadowtime", which things are "beginning to get dark", just before the final Time of Trouble (full darkness) begins?

In Matthew 24, Yahshua referred to the "shadow-time" before the final Time of Trouble as "the beginning of sorrows" (Matthew 24:8). The fact that Matthew 24 and Zechariah 1 are indicating the same prophetic timeperiod indicates that the two prophecies can be used to help unlock each other. There are many events which are foretold to take place during the shadow-time (beginning of sorrows). The events include: wars, earthquakes, famines, betrayals, false christs, and more.

The obvious presence of these events in our world today makes it clear that the myrtle trees are already in the "bottom" time. But when does the precise warning of this vision take place? When the trees are in the shadows? No!

The vision tells that the trees are in the shadows when the red horse appears. The key event of Zechariah's first vision is not only that the people

of Yahweh are in the shadowtime, but specifically it is about the arrival of the red horse. In this vision, Zechariah saw that the red horse and its rider will briefly stand among the myrtle trees in the shadow time, just before beginning his apocalyptic ride, foretold in Revelation 6:3-4.

What specific event in Matthew 24 is given as the key to identify when it is time to flee (because the Time of Trouble is coming next)? The setting up of the Abomination of Desolation!

"...When ye therefore shall see the Abomination of Desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:). Then let them which be in Judaea flee into the mountains: Let him which is on the housetop not come down to take any thing out of his house..."

Does the Abomination of Desolation have any direct connection with the red horse and its rider from Revelation?

Let's examine this Revelation vision to find out. It all begins with the Scroll...

In Revelation chapter 5, John had a vision in which he saw a scroll. It was a special Scroll sealed shut with seven seals. And when it seemed that no one was worthy to break the seals and open the Book, John wept.

But, One was found worthy! Yahshua, the Lamb that was slain was worthy to break

the seals and open the Book! This Scroll represents the title deed to planet Earth. It makes sense why John cried when he

thought that it could not be opened. For if the Scroll could not be opened, it meant that the devil's dominion on earth could

not be broken

nor the lost planet restored as part of Yahweh's Kingdom. Thankfully, since Yahshua has died, His sacrifice gives Him the right to restore the planet and take back the dominion of Earth which Adam lost.

According to Revelation, as the first four seals of the Book are opened, four horsemen will be released upon the Earth. This vision is especially important right now, because current

events show that the white horse must already be starting its ride. And the red horse is soon to follow. But to show that we are in the time when the white horse is beginning its run through the earth, we need to look at the events which come with each horse and horsemen.

Let's look at them in Scripture. (continued)

FEATURE

In Revelation 6, the first seal is opened. Here the final Gospel call is represented as a white horse and Rider going forth to conquer the enemy.

"And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see.

And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer." Revelation 6:1-2

The connection between the White Horse and the message of the Gospel going to the whole world is given in the crown. The rider of the white horse bears a crown which he carries throughout the whole earth. Scripturally, in a positive sense, a crown is a symbol of kingship and Eternal Life. We also see that carrying the Gospel to the World is one of the key events which takes place at the "Beginning of Sorrows", which our Saviour foretold in Matthew 24.

"Blessed is the man that endureth temptation: for when he is tried, he shall receive the Crown of Life, which Yahweh hath promised to them that love Him." James 1:12

"And this Gospel of the Kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." Matthew 24:14

But the white horse is not only a symbol of the final Gospel Message going to the whole world. The white horse is also the one who commences "the beginning of sorrows" which Messiah talked about in Matthew 24:

"And ye shall hear of wars and rumors of wars: see that ye be not troubled: for all these things must come to pass, but the End is not yet. For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places. All these are the beginning of sorrows." Matt. 24:6-8

This connects back to our first vision in Zechariah, for the myrtle trees are already positioned in "the bottom" (the time when its beginning to get dark) prior to the red horse appearing among them.

Revelation also shows that the white horse and horsemen is a harbinger of coming destruction. Indeed the destruction coming following the white horse is of such a magnitude that it results in the death of a quarter of earth's population, all of which take place in the ride of the pale horse (Revelation 6:8).

But we don't just know that the white horseman is a harbinger of coming tribulation because of the horses who come after him. There is a symbol of great tribulation directly found in his hand—the bow. According to Revelation 6:1-2, the rider of the white horse carries a bow.

The bow symbolizes two prophetic meanings. First, an arrow is a prophetic symbol of a Message (Psalm 45:5)—ultimately the final Elijah Message (Malachi 4). Thus, the bow which shoots the arrow represents the work of God's people to give the Elijah Message, carrying it the world in the final Gospel call.

But the bow is also a symbol of tribulation. The word translated as bow in Revelation 6:3-4, is from the Greek root word *tikto*, meaning "to be in travail" and "to produce seed", as in "labor pains". The reference to labor pains is yet another direct connection to "the Beginning of Sorrows". Consider Jeremiah:

"They shall lay hold on the bow... and they ride upon horses, set in array as men for war against thee, O daughter of Zion. We have heard the fame thereof: our hands wax feeble: anguish hath taken hold of us, and pain, as of a woman in travail."

Jeremiah 6:23

There is plenty of evidence (wars, rumors of wars, earthquakes, etc from Matthew 24) to show that we are living in the time of the Beginning of Sorrows right now. This means that we are living in the first seal and that ride of the white horse has already begun. The red horse comes next. What should we expect in the second seal?

"And when he had opened the second seal, I heard the second beast say, Come and see. And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword." Revelation 6:3-4

While Revelation shows the white horse being first, in Zechariah 5, we find the horses of the first through the fourth seals riding simultaneously. This shows that while the events these horses represent happen one after another, they also continue to occur *together* for a time.

So, the white horse continues to ride (meaning people can still receive

Salvation) when when the second seal is opened. And in the opening of the second seal, a terrible red horse rides forth. In Revelation 6:3-4 we find that this horse brings a sword. This represents persecution. Also it says he takes "peace" from the Earth.

In Psalm 37:37 it says, "mark the perfect man, for the end of that man is peace." Peace represents Eternal Peace or Eternal Life. What one thing is so powerful that it can forever take the promise of Eternal Life from a person? The Mark of the Beast! When a person receives the Mark of the Beast, he/she is forever lost. Thus, it is by receiving this mark that a person loses out on the Peaceful End that *Yahweh* promises to His people.

The ride of the red horse will be a time of great spiritual polarization. People will quickly choose sides. They will either be completely possessed by the Holy Spirit having accepted the Gospel call and be sealed for all Eternity. Or they will be completely possessed by the enemy having rejected God's Will and Law. If this is

the path they choose, they are unchangeably marked with the Mark of the Beast. Both the Seal of God and the Mark of the Beast are *permanent*.

What are the key events in the ride of the red horseman?

- He takes Peace from Earth meaning that he brings the Mark of the Beast (Psalm 37:37).
- In the ride of the red horse, there will be a mass rejection of Truth and God's Law (Psalm 119:126)
- There will be a Time of Trouble during the red horse's ride (Revelation 6:3-4).
- The false worship system of the Abomination of Desolation will be in place before the Time of Trouble of the Red Horse (Matthew 24:15-16).

Before the red horse rides through the Earth, he first is found standing among the myrtle trees in a special warning to the saved people of *Yahweh*. What happens before his ride? The Abomination of Desolation will be set up (Matthew 24:14). And when the Abomination of Desolation is set up, it is time for Judea to flee because the final Time of Trouble is coming next. This means that the setting up of the Abomination of Desolation must be the key event which signifies that the red horse is now standing among the myrtle trees in the time just before full "darkness" decends upon the Earth.

We've talked about the Abomination of Desolation before, many times. And we've Scripturally identified it. But because it is so vitally important that the End Time people of *Yahweh* know what it is, it bears repeating.

Just a few years after the First Temple (Solomon's) was destroyed and before the Second Temple (Herod's) was built, the prophet Ezekiel was shown a vision of another holy Temple. This Temple, by its physical description and dimensions, was never built. Never has there been such a Temple as this one, on Earth.

Ezekiel's Temple Complex was 500x500 cubits, which is 750 feet square. *(continued)* 

This means that it would have been much larger than Solomon's Temple, Herod's Temple and the Wilderness Tabernacle—all combined! In fact, all these other prior Temples could fit within the foretold Ezekiel Temple Complex and still have room to rattle around!

Additionally, the Ezekiel Temple would have been unique in that it did not have a laver. Instead of a laver, there was to be a stream of living water, which would flow out from the Messiah's Throne in the Most Holy Place. In other words, the Ezekiel Temple—not Herod's Temple—should have been the Temple which *Yahshua* came to when He was here among us (Ez. 43:7). But it was not to be...

Now, there is a problem with the Ezekiel Temple prophecy, making it clear that this Temple can never be built for the worship of Yahweh. We can know this because, Ezekiel Chapter 40 details animal sacrifices, which were to have been performed within this Temple. But now that our Saviour has died (once for all), Yahweh has commanded that the sacrificing of animals forever cease, for they all pointed to the death of Yahshua and were fulfilled by Him on Calvary. (For more information on Yahshua's fulfillment of the animal sacrifices, and to see that it was Yahshua's death, not the 2nd Temple's destruction, which ended the sacrificial system, please see our **Lighted Way Ministries News Magazine** Issue 15, July-September 2019, "Torah Secrets of the Final Anti-Christ". This magazine is viewable online in our newsletter archive in our website at www. lightedway.org)

Since animal sacrifices ceased with the Death of *Yahshua*, the prophecies of the Ezekiel Temple, with its numerous animal sacrifices, cannot be fulfilled in the future.

But what do we do about Ezekiel's Temple prophecy? Surely, since we can be certain this was a *Yahweh*-given prophecy, it has to come to pass! Doesn't it?

Actually, it is this belief that will make the third temple deception especially convincing to most Christians. When the third temple is erected, it will be built to Ezekiel's specifications, in apparent fulfillment of his God-given prophecy. It appears to be a "slam-dunk" in terms of evidence supporting the "holiness" of the third temple cause. But in actuality, true prophecies can fail, if the conditions of the prophecy aren't met.

In the case of Jonah, who prophesied the Word of *Yahweh* to the people of Ninevah, the prophecy failed because the people repented. Clearly then, a prophecy from *Yahweh can* fail. However, the opposite was true regarding the Temple of Ezekiel. Because of Israel's rebellion, it was too late for the Ezekiel Temple to be built by the Kingdom of *Yahweh*.

Now, when the temple described in Ezekiel is built upon the sacred ground where the angel of Yahweh once stood that ground once called the Threshing Floor of Ornan—it will not honor Yahweh, nor will He be worshipped from its services or sacrifices. This temple will be the physical manifestation of the Abomination of Desolation, which is prophetically foretold to occur when the place that should be Yahweh's holy Sanctuary (or Temple) becomes polluted (used to worship the Beast and the Dragon). Worshipping the enemy in what should be the House of *Yahweh* is the ultimate pollution of His holy Place and is well characterized by calling it an "abomination".

"...And they shall pollute the Sanctuary of strength... And they shall place the Abomination that

maketh Desolate." Daniel 11:31

"But when ye shall see the Abomination of Desolation, spoken of by Daniel the prophet, standing where it ought not, (let him that readeth understand,) then let them that be in Judea flee to the mountains," Mark 13:14

"Then I heard one saint speaking, and another saint said unto that certain saint which spake, How long shall be the vision concerning the daily... and the Transgression of Desolation, to give both the Sanctuary and the host to be trodden under foot?" Daniel 8:13

"Let no man deceive you by any means (the Abomination of Desolation will be the biggest deception ever to hit our planet) for that Day (the return of *Yahshua*) shall not come, except there come a falling away first (the "falling away" is the time when people who have formerly worshiped Yahweh change sides and begin honoring the devil), and that Man of Sin be revealed, the son of perdition (the Man of Sin is the Beast); Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. (The Beast will pretend to be the true God and will sit in what should be Yahweh's Temple, receiving worship that is due to Yahweh)." 2Thessalonians 2:3-4

The Scriptures are clear in their descriptions of the Abomination of Desolation. There can be no doubt as to what it is. The Abomination of Desolation is pollution of *Yahweh's*

### The THIRD TEMPLE in JERUSALEM is the ABOMINATION OF DESOLATION... THIS IS THE SIGN that the RED HORSE is STANDING among the MYRTLE TREES!

Temple. It is placing an unholy place of worship upon the sacred ground where the prior two Temples of Yahweh once stood. The Abomination of Desolation is the enemy of souls receiving worship in what should be the holy Temple of Yahweh.

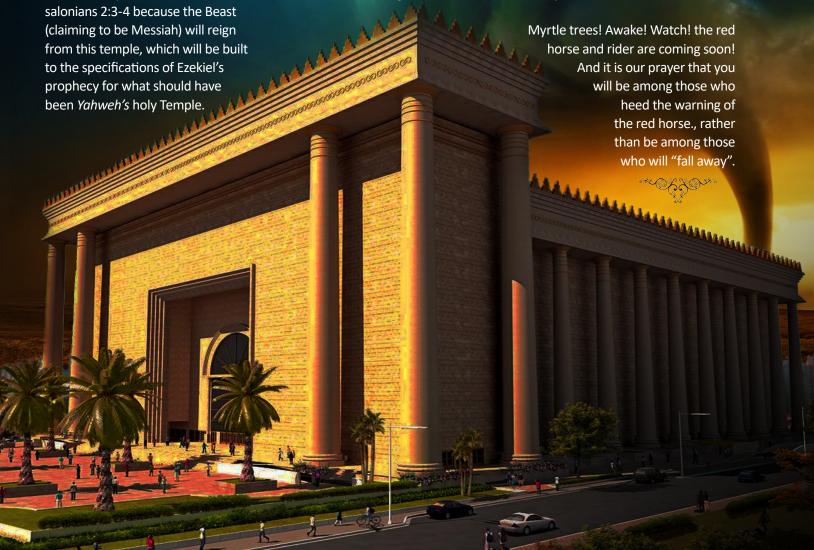

The final Abomination of Desolation will be set up when the third Temple stands in Jerusalem upon the holy Ground where the prior two Temples once stood. All the pieces of the puzzle

fit with this identification: The 3rd Temple will fulfill 2 Thessalonians 2:3-4 because the Beast (claiming to be Messiah) will reign

- The 3rd Temple in Jerusalem will fulfill Daniel 11:31 because the anti-Messiah will be worshipped in it and the sacrifices will be performed temple is the warning to the myrtle in it (an ultimate rejection of the true Messiah)—all of which completely "pollutes" the Sanctuary.
- The 3rd Temple will fulfill Mark 13:14 because it will be built upon the sacred ground, the holy place whereupon the former two true Temples of Yahweh once stood. This is why the prophecies foretell that it will stand where it "ought not" to be standing.

And what does all of this have to do with Zechariah's first vision? The building of the blasphemous third trees that the shadows are upon us and the time of persecution and trouble is imminent. As Yahshua said, when you see the Abomination of Desolation stand in the holy place... flee...

When the third Temple is built in Jerusalem, the red horse will be standing among the myrtle trees giving his warning which comes before his final ride through the Earth. He stands when the Temple stands...

## April Trip to N.Z. & Australia

## Passover/U.B. in New Zealand... Then Australia

We are firming up plans for an exciting April trip to the Southern Hemisphere... Please keep us and the believers there in your prayers!

After our last trip to New Zealand in 2017, our dear friend and N.Z. contact, Belinda McCallion (pictured above), created a Lighted Way satellite group in Tauranga, New Zealand. We send our Powerpoints and video files to Belinda and she shares them with the group there each Sabbath at their weekly fellowship gatherings. We have also had a few intercessory prayer and / or anointing prayer sessions with some of the believers there via Skype. We are very excited to be a small part of what *Yahweh* is doing on the other side of the world!

For this coming April, Belinda and the group have invited us to come to New Zealand to keep Passover and Unleavened Bread with them. The plan is for us to give the Passover and then share with them on a variety of topics throughout the Week of Unleavened Bread. We expect to share some on the spiritual lessons in the parables of Messiah, the Plan of Redemption in the Stars, How to Study the Bible, and the

Spiritual Lessons in Unleavened Bread. We also plan to do some personal ministry with the dear ones there to prayerfully encourage and strengthen them in their personal walks with *Yahweh*. Please join us in praying for our dear Lighted Way fellowship believers in New Zealand!

We expect to be in New Zealand from April 8-21. Then we have been invited to share a bit in Melbourne, Victoria, Australia. We are tentatively planning to be in Melbourne from April 21 to 24. Our schedule there is just firming up.

From Melbourne, we *may* be going out to Perth and Bunbury in Western Australia. We are speaking with Avi Ben Mordechai (he and his wife came to our last retreat and Avi was our guest speaker) about possibly doing a series of meetings together for the Messianic believers in Western Australia. Depending on whether we go out to W.A., we expect to be returning home late April or early May... (continued)

## Dear Friends of Lighted Way Ministries,

You have blessed us in so many ways over the years that we've been in ministry. And for all of you—your friendship, your prayers, your support, your visits, your notes of encouragement—we are thanking *Yahweh*. And we are deeply grateful to each of you!

Glory only to Yahweh, we are humbled and grateful to say that 2020 will be our 13th year in full-time ministry. During that time, we have been blessed to host over 20 Feast Retreats. Additionally, we have been grateful for your support to travel and to prayerfully help to strengthen the Body of Messiah in places near and far. We are thankful to say that your prayers and support have made it possible for us to publish several books, Bible study lessons, and these quarterly magazines. In short, we are praising Yahweh to say that your ongoing prayers and support have made it possible for us to keep doing what we do. And we are so thankful to Him and to you!

As 2019 draws to a close, we look forward to continuing in full-time ministry in 2020. This is the Sabbatical—the *Shemitah*—year. And we believe it will be a big year of spiritual growth and emphasis. We prayerfully want to do our part in helping this year to be a special encouragement to the people of *Yahweh*.

Part of this work will involve broadcasting regularly on Livestream. We are expecting a big bill from Livestream. It is almost time to renew our Livestream account and pay our annual fees. We ask your prayers and support to help with this. Thank you! And may you each be abundantly blessed! Shalom!

During our time in New Zealand and Australia, we will not be broadcasting any of the meetings on Livestream. We did try to broadcast a bit on our last trip and found it expensive and difficult. Also, we are not anticipating trying to take our cameras or recording equipment. It makes for a lot of luggage when we try to bring the studio along.

But we do plan to take pictures and keep in touch via regular e-mail blasts (if you aren't on our Lighted Way Ministry e-mail blast list and would like to be added, please contact us) and Facebook posts (on our Lighted Way F.B. page) as

your prayers are so needed! No ministry trip or work can succeed without the underpinning work of the prayer warriors! And we sincerely ask each of you to join us in praying for the Elijah Message work both here and Down Under!

For those of you who often join us for Passover, we have good news! We obviously will not be here in Oregon to host the Passover meal this coming April, but we are planning to host a quiet second Passover upon our return in May. Since Scripture allows for a second Passover provision (and one of

the Scriptural reasons for having a second *Passover is travel—Numbers 9:10-11).* This second Passover is something we will do only for those who choose to join us in person. We do not expect to be broadcasting it.

The date for the second Passover event is Friday, May 8 (as this is the 14th day of the second Biblical month.) If you are interested in joining us for this evening (we are only doing a second Passover. We will not be holding a 2<sup>nd</sup> U.B. retreat), please contact us. If we know that you are interested, we will keep you informed.

## **Lighted Way Ministries Feast of Tabernacles Retreat Highlights...**

## Fellowship, Spiritual Feast, Outings... Joy!

The gathering for the Feast of Tabernacles ing the meaning in these visions and how this past October was a very special time! We were so blessed to have Avi ben Mordechai and his lovely wife Shoshana join us from Perth, Australia. Avi was our guest speaker and he blessed us with many powerful lessons and gave key insights to understanding Paul's writings from a Hebrew perspective as well as sharing several eye-opening points about the Tree of the Knowledge of Good and Evil vs. the Tree of Life.

Avi ben Mordechai gave two series's while with us. First, he presented an 8-part series on Hebrew Studies covering many key concepts such as Sin and the Son of Man, The New Covenant, Bond Servants, Faith and Righteousness and more. He also did a 3-part series on Hebrew Perspectives on Galatians. These presentations are all now available on DVD or USB. (See our enclosed order form.)

Additionally, Shauna Manfredine gave the first five presentations of a prophecy series on the visions of Zechariah showthey fit with the timelines of Daniel and the End-time events. The first five presentations on Zechariah are available on 5 DVD's. This is an ongoing series which Shauna plans to finish when our new studio is set up and running again.

In addition to this spiritual food, we all enjoyed good fellowship and even a couple of outings during the non-Sabbath days in the middle of the retreat. One afternoon, a small group of us went on an outing "antiquing", exploring the farm and private museum of antiques which a local family has been collecting over the years. We also enjoyed the Wildlife Safari, which is a long-standing favorite destination for our retreat guests.

Of course, on the Last Great Day, we held a Marriage Supper of the Lamb vegan banquet and inspirational program. This is a special event which is always a highpoint in our Feast of Tabernacles Retreats. We all enjoyed the encouraging Scriptures, the songs, the fellowship, and the banquet food was delicious! It was a

lovely close to a special Feast. If you missed our Fall Retreat, it's not too late to take home the blessing of the spiritual food. Choose from the following:
