Yahshua FREES us in order to take us HOME!

When our focus is upon *Yahweh* and on what He is doing in the Last Days, we will not be fixated upon what the beast, the whore of Babylon, or Hell itself is doing. The focus of the End-Time people of God is upwards. With our eyes upon Him, we eagerly follow step-by-step as He brings us into the ultimate Promised Land!

Psalm 68-17-19 “The chariots of God are twenty thousand, even thousands of angels: *Yahweh* is among them, as in Sinai, in the holy place. **Thou hast ascended on high, Thou hast led captivity captive:** Thou hast received gifts for men; yea, for the rebellious also, that *Yahweh* God might dwell among them. **Blessed be *Yahweh*, who daily loadeth us with benefits, even the God of our salvation.**”

Let's seek the needed heart-condition that is required to go Home...

HE COMES to set the CAPTIVES FREE

Isaiah 61:1-2—“The Spirit of Yahweh GOD is upon me; because Yahweh hath anointed me to preach good tidings unto the meek; He hath sent me to bind up the brokenhearted, **to proclaim liberty to the captives, and the opening of the prison to them that are bound.** To proclaim the acceptable year of Yahweh, and the Day of Vengeance of our God...”

When the Children of Israel left Egypt, they **thought** they wanted to go to the Promised Land, **but they didn't**—not really. Ample proof of this sad truth is demonstrated by the fact that, every time a difficulty arose in their journey, it wasn't Canaan for which they longed, it was **Egypt!**

“And the whole congregation of the children of Israel murmured against Moses and Aaron in the wilderness: And the children of Israel said unto them, **Would to God we had died by the Hand of Yahweh in the land of Egypt, when we sat by the flesh pots...**”

Exodus 16:2-3

And finally, when the Children of Israel **did** reach the borders of the Promised Land, they refused to go in, fearing the “giants” in the land. Once again, they preferred to return to Egypt than to trust in Yahweh's Power to bring them to their promised home!

“And they said one to another, **Let us make a captain, and let us return into Egypt.**” *Numbers 14:4*

Sadly, as long as Israel desired Egypt more than Canaan, they couldn't go home. And so, the faithless Egypt-lovers were judged to remain in the wilderness for 40 years, until they had all died in the wilderness. They hadn't cared about reaching the Promised Land—and now, they never would!

When the 40 years were finished, all of the faithless were dead. But, Yahweh had blessed the two faithful spies with long life. Caleb and Joshua (and their families) were the sole survivors of all the Children of Israel who had departed from Egypt together so long ago.

Considering that the congregation of Israel, who left Egypt together, numbered about 2,000,000 people, it is sobering to note that the ratio of Israelites who left Egypt **in their hearts**, truly wanting to reach the Promised Land, was about one in a million!

Spiritually, Egypt represents the Devil's Realm of Sin (*see Revelation 11:8; Hebrews 3:16; and Hebrews 3:14-4:11*) and the slavery of the Israelites in Egypt is a symbol of our bondage to it. But, the sons of God, must leave Egypt behind.

“When Israel was a child, then I loved him, **and called my son out of Egypt.**” *Hosea 11:1*

But for us, in the End-times, the spiritual journey from Egypt to the ultimate Promised Land comes fraught with the same temptations. Specifically, it is tempting to have the same lack of commitment to reach our Destination as did the Children of Israel. They Way is difficult. There are many dangers. And now, as things are beginning to “heat up” many believers struggle
(continued)

The “Wilderness” Testing Areas Reveal Areas of Deliverance...

In the Wilderness, the Children of Israel faced tests which revealed their need for heart deliverance. The following are common areas of bondage to spiritual Egypt:

THE LIFE/PROSPERITY IDOL—we can make our physical bodies an idol when we act like we have a “right to live”. This is an area which requires surrender. As Shadrach, Meshach and Abed-nigo did when they faced the fiery furnace, we must glorify God and leave it to Him whether or not He chooses to preserve our lives in the process (Matthew 10:39).

THE SAFETY/SECURITY IDOL—it is natural to want to feel safe and secure. But Israel's wilderness journey involved many tests in which their safety and security appeared to be in jeopardy. Yahweh tests us in this area also. For we need to surrender our safety and security to Yahweh. Only then are we free from this “Egyptian” idol (Matthew 10:34). When we are fully delivered from this idol we will find our peace in Him, no matter what is going on in our circumstances.

THE RESPECT IDOL—it is natural to want to feel loved, appreciated and respected. But Yahweh tests us in this area too. We need to surrender our reputations and what people think of us to Yahweh. (Matthew 10:22, 36-37).

SELF—The deepest area where every believer needs deliverance is Self. We cannot live for our own wills. We must be fully surrendered, completely obedient, and always faithful to Yahweh. If we seek Yahweh's deliverance from the selfish core of our carnal beings, this idol also will fall! (Luke 22:42).

...with wishing the world could “calm down” and that the cataclysmic End-time events wouldn’t be fulfilled in our lifetimes. But what are we really saying, when this is our deepest secret wish? We are being tempted to desire Egypt, because the “journey” is too hard! Like Israel of old, we fear the “giants”, which we must face before entering, instead of trusting *Yahweh* to deliver and fulfill His Promises!

But, for just a moment, let’s not focus on the Beast, or the woman who rides it. Let’s not fix our attention upon the wars, the horns, or even the Abomination of Desolation (*all of which are important topics, and good spiritual watchmen must understand and recognize them*). Let’s take the time to focus fully on what **Heaven** is doing in the End of the World.

Moses was a shadow-picture of Messiah. He was sent to bring the captive Children of Israel out of their bondage. His work, in physically leading Israel out of Egypt, foreshadowed *Yahshua’s* Work of freeing ultimate Israel—the End-time people of God.

“The Spirit of *Yahweh* GOD is upon me; because *Yahweh* hath anointed me to preach good tidings unto the meek; He hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound. To proclaim the Acceptable Year of *Yahweh*, and the Day of Vengeance of our God...”

Isaiah 61:1-2

The Acceptable Year of *Yahweh* is the Jubilee. And the promise of Isaiah 61 is clearly telling us that the final Jubilee is about setting the captives

free! That is wonderful news! We, who have been spiritually freed from the sinful bondage of our past heritage and choices, will be also made free from this dark and sinful place. Like the Children of Israel, *Yahweh* is taking His people **HOME!**

“Let not your heart be troubled: ye believe in God, believe also in Me. In My Father’s House are many mansions: if it were not so, I would have told you. I go to prepare a place for you... I will come again, and receive you unto Myself; that where I am, there ye may be also.”

John 14:1-3

Of all the End-time prophecies to understand, this is the biggest and most important. If we miss it, we may also miss the needed heart-condition of longing for our soon-coming Deliverer and wanting to reach the Promised Land! Only those with this desire can endure the “wilderness” of End-time trials without secretly longing for Egypt instead of Canaan.

Our Heavenly Deliverer is coming to free us and take us Home! This beautiful promise needs to be allowed to sink in to our souls and absorb around a bit!

Just as the deliverance of the Children of Israel was a journey, so is it for us in the Last Days. Our focus is on the Great Day—the final Jubilee—when our Redeemer Comes to take us Home. But the process of spiritually departing from Egypt and going Home is one that has already begun. It is a Journey, which we are already undertaking. For *Yahweh* frees us and brings us to the ultimate Promise bit-by-bit, little-by-little.

“I will not drive them out from before thee in one year; lest the

land become desolate, and the beast of the field multiply against thee. By little and little I will drive them out from before thee, until thou be increased, and inherit the land.” *Exodus 23:29-30*

The physical journey which the Children of Israel took in leaving actual Egypt to go to the earthly Canaan is a prophetic shadow-picture of *Yahweh’s* Deliverance of His people in the Last Days.

“Now all these things (*experiences in their Wilderness Journey*) happened unto them (*the Children of Israel*) for ensamples: and they are written for our admonition, upon whom the Ends of the World are come.”

1 Corinthians 10:11

Bearing this in mind, it will probably come as no surprise that there is a spiritual parallel to God’s promise to free “the land” and bring Israel into the full Promise incrementally—little-by-little. When *Yahweh* is at Work to set His people free—spiritually—He does it little-by-little, just as He did for Israel with the physical attainment of the promised land. This means that, when we come to Him, confess our sins, and pray for deliverance, He provides cleansing and deliverance in sustainable (by His Grace) increments.

Like peeling back the layers of an onion, at each stage of intercession and deliverance, more and more of the enemy’s rights, ground, and areas of strongholds are revealed and removed. This is a mercy of God! For if He were to reveal every area of our lives that was out of harmony with His Will on the very first day, we would be totally overwhelmed and completely unable to effectively respond. But, wisely and lovingly, our Heavenly

Father doesn't do this to us. He reveals the right amount at every stage, which is why the Bible calls the process growing into full spiritual Freedom and Maturity, "Growing in Grace" (2 Peter 3:18).

We begin to understand the process of spiritual deliverance and spiritual warfare more clearly, when we see that it parallels the process of delivering the Children of Israel.

"...Don't be intimidated by them (demonic entities or pagan nations and people). *Yahweh, your God, is among you—Yahweh majestic, Yahweh awesome (and Almighty). Yahweh, your God, will get rid of these nations (demonic rights, ground, and entities), bit by bit. You won't be permitted to wipe*

them out all at once lest the wild animals take over and overwhelm you (you couldn't sustain the victory, keeping the deliverance, if He did too much all at once). **But Yahweh, your God, will move them out of your way—He'll throw them into a huge panic until there's nothing left of them. He'll turn their kings (ruling spirits) over... and...remove all trace of them under Heaven. Not one person will be able to stand up (against) to you; you'll (He'll) put an end to them all (by His Grace)."** *Deuteronomy 7:21-24 (TMB)*

This process of spiritual warfare deliverance is something we have experienced, personally, and have documented in our book, *Escaping from the Dragon's Jaws*. We found that, in each prayer for deliverance and anointing, the Heavenly

Work for our freedom was complete for that stage. As we prayed at each stage, claiming Psalm 139:23-24, everything that was supposed to be revealed to us for confession and repentance was revealed.

We dealt with everything we knew to deal with. We claimed the Blood of *Yahshua* over everything that was revealed. And in all the areas which had been revealed, all the ground which the kingdom of Hell had gained in our lives and home was fully removed.

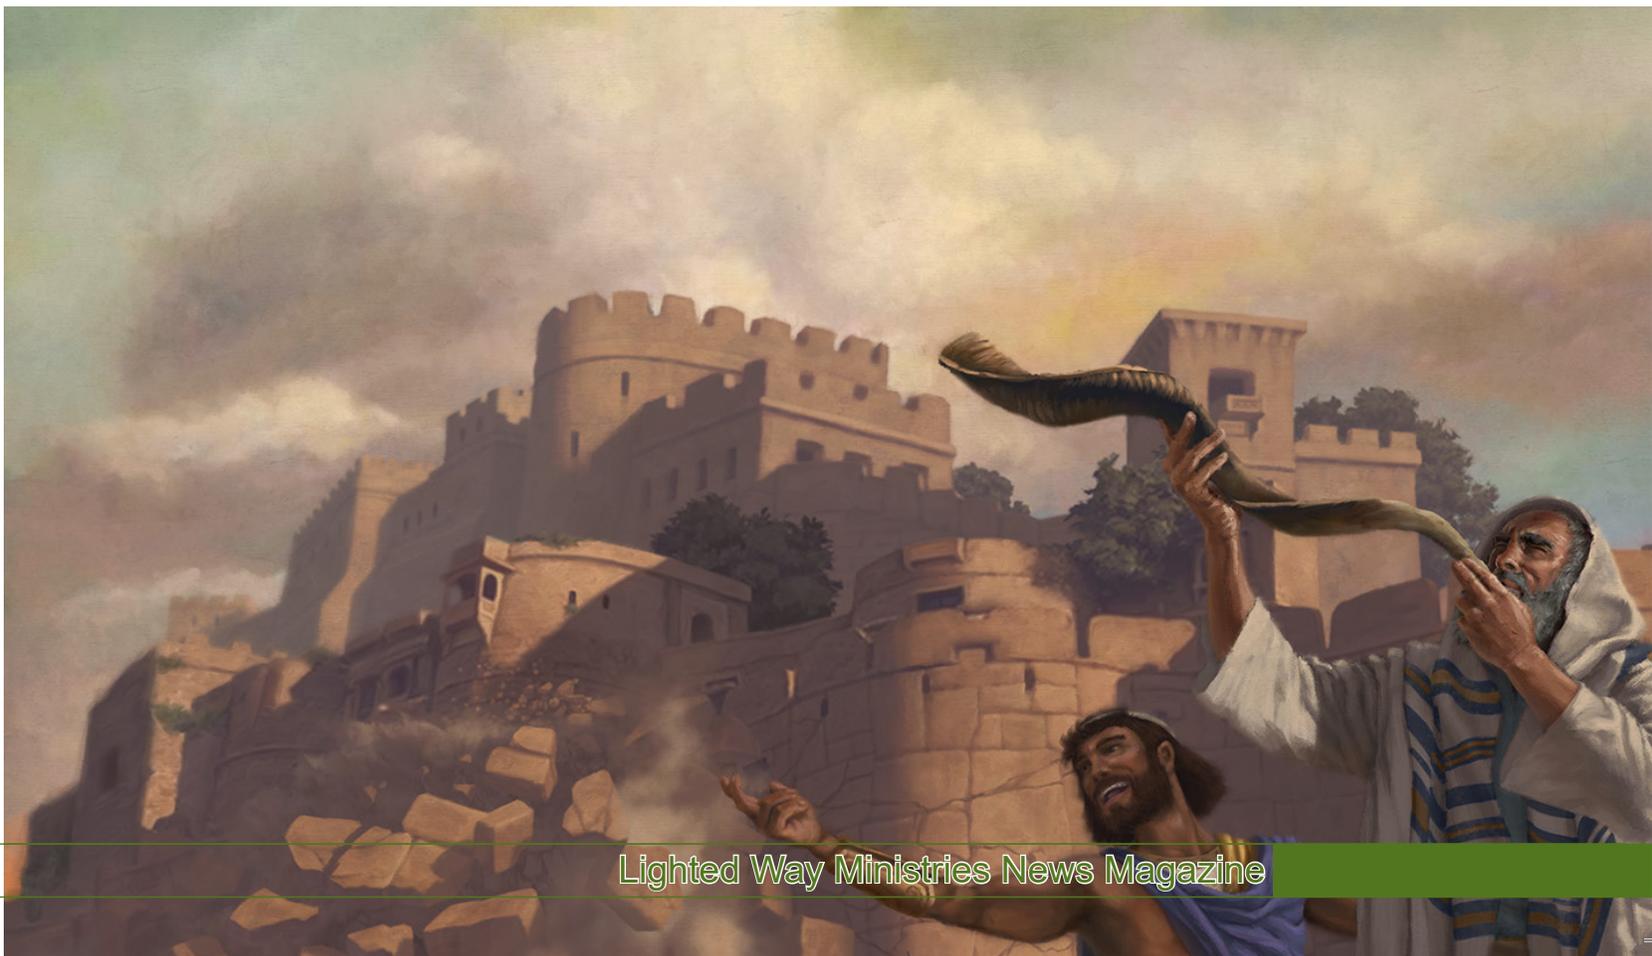

Were we completely delivered after our first anointing? No! In fact, our deliverance was a process which spanned *two* years of multiple prayers and anointings! After each anointing and deliverance prayer, we had peace, knowing our Father

was delivering us "little-by-little". The farther down into Hell we've sunk, the longer the deliverance journey will be. But, in the journey, however long, we can always trust in Him to keep His promises and reveal everything that should be addressed at each stage. As the song says:

"Yahweh knows the way through the Wilderness! All I have to do is follow. Strength for today is mine always. And all I'll need for tomorrow. Yahweh knows the Way through the Wilderness! All I have to do is follow!"

Thus, at each stage of deliverance, the Grace of *Yahweh* fully covers us, and our cleansing is complete for that "layer of the onion". And He will reveal the next layer in His Time...

(continued)

When you think about it, this process of “growing in Grace” appears over and over again. Another place that we find it is in the Feast of Passover and Unleavened Bread. Every year, in preparation for the Feast of Unleavened Bread, we remove the leaven from our homes, both physically and spiritually (see the following article for details).

In the Scriptures, leaven represents a spiritual agent (either good or bad), which is so powerful that only a small amount of it effects the whole lump of “dough”:

“A little leaven leaveneth the whole lump.” Galatians 5:9

We are the “dough” in the analogy, of course (see 1 Corinthians 5:6; Matthew 13:33-43).

Leaven represents sin and false doctrine:

“Then Yahshua said unto them, Take heed and beware of the leaven of the Pharisees and of the Sadducees.” Matthew 16:6

“...Beware ye of the leaven of the Pharisees, which is hypocrisy. For there is nothing covered, that shall not be revealed; neither hid, that shall not be known.” Luke 12:1-2

But, while leaven represents sin and false doctrine, it also represents the righteousness and truth of the Kingdom of Yahweh:

“And again He said, Whereunto shall I liken the Kingdom of God? It is like leaven, which a woman took and hid in three measures of meal, till the whole was leavened.”

Luke 13:20-21

During the Feast of Unleavened Bread, removing the physical leaven from our homes also involves

removing the leaven of sin. But, if we have successfully removed all the sinful leaven in keeping the Feast of Unleavened Bread, why should we keep it again? We’ve removed all the spiritual leaven! What more do we need to do? Probably, in our first experience of keeping the Feast of Unleavened Bread, we have spiritually unleavened our homes in all of the obvious areas. Certainly, we will have removed and destroyed all ungodly books, DVD’s, video games, and any spiritually dark objects.

Notably, this work of removing “idolatry” and cursed objects from our homes is part of the process of journeying to the Kingdom, “little-by-little”. We see this connection in thought because Deuteronomy chapter 7 continues by warning against “cursed objects” being in our homes (Deuteronomy 7:25-26). This warning is only a couple of verses away from the “little-by-little” deliverance passage.

Any ungodly objects in our homes are to be destroyed—burned with fire. **“The graven images of their gods shall ye burn with fire... for it is an abomination to Yahweh thy God. Neither shalt thou bring an abomination into thine house, lest thou be a cursed thing like it: but thou shalt utterly detest it, and thou shalt utterly abhor it; for it is a cursed thing.” Deuteronomy 7:25-26**

This too bears a connection with the spiritual unleavening. In preparation for Unleavened Bread, at the Passover, the leaven is burned.

Removing the leaven from our homes isn’t just about a physical act. The primary reason for removing and refraining from leavened foods is not

a health benefit (although it is one). Removing the leaven is a reminder to prayerfully check our lives and homes and get the sin out. But, again, after having done that in the first year of keeping the Feast, why would we need to do it ever again?

Is Yahweh expecting us to remove the ungodly objects and materials, only to bring them back in the house as soon as the Feast concludes? Is this the reason we need to unleaven our homes again and again? No! The spiritual unleavening process is another part of the Journey to the Promised Land, which happens little-by-little. Each year, as we keep the Feast again, we pray for new and deeper revelations of the Will and Ways of Yahweh. Thus the unleavening of this year goes deeper than it did the year before.

Yes, Heaven is at Work for the Deliverance of Israel! Our Deliverer is Coming on the Final Jubilee! But, even before that Great Day, He is already at Work, bringing us “little-by-little” from spiritual Egypt to the ultimate Promised Land.

“The Spirit of Yahweh GOD is upon me... to proclaim liberty to the captives, and the opening of the prison to them that are bound. To proclaim the Acceptable Year of Yahweh, and the Day of Vengeance of our God...” Isaiah 61:1-2

So, what are we to do to keep our eyes upwards, and to insure that we move step-by-step through the deliverance process in keeping with our King? We need to have the heart to be delivered. Let us put our “love affair” with Egypt in the grave and wholeheartedly seek the Kingdom of God. Let the Promise Land be our vision so that Egypt increasingly dims from view.

Preparing for Passover: Unleavening Our Hearts and Homes

*"...Know ye not that a little leaven leaveneth the whole lump? Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even Christ our Passover is sacrificed for us. **Therefore let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth.**"*

1 Corinthians 5:6-8

As February lapses into March, Passover is just around the corner. But since it isn't April yet, one may wonder why we're writing about preparing for Passover this early. Actually, preparing for Passover is a process that begins immediately following *Sukkot*! In fact, this is standard-operating-procedure for all the Feasts.

At first glance the idea, of preparing for the next Feast immediately after the last one concludes, may seem overwhelming. But upon closer consideration, there is a beautiful and loving reason for keeping the Feasts so central in our lives all year long. Similar to planning a wedding—a process which involves several months of loving preparation and planning—the process of preparing for Passover has many steps. And the fullest blessings are found through carefully and prayerfully preparing for this special Appointment with *Yahweh*.

Husbands, do you remember back to the time when you were first courting your wife? You and your loved one would set up dates when you would get to spend quality time together. Maybe you would go out to eat or do some other enjoyable activity that would give you both time to delight in each other's company.

A date with your beloved one was one of the highest points of your week. And in anticipation of these delightful times together, you would prepare in advance, schedule to accommodate it, and look

forward to it all week long. It would have been impossible for a date with someone so dear to creep up on you unplanned, unprepared for, and forgotten! You just don't forget or fail to prepare for something so important!

Similarly, for those who love *Yahweh*, His annual Feasts and Sabbaths are dates that we hold dear. While love for *Yahweh* reigns supreme in our hearts and homes, these special Appointments with Heaven will be central in our thinking, foremost in our planning, and worked-for in all areas of needed preparation.

So how do we go about preparing our hearts and homes for the upcoming Feasts of Passover and Unleavened Bread? What steps does the Word of God encourage us to take to unleaven our hearts and homes in preparation for Passover and the Feast of Unleavened Bread this coming April? In the order that they need to be done, the following is a list of the steps to prepare for Passover and Unleavened Bread, 2020 (*Passover is April 8, 2020 / Unleavened Bread this*

year is April 9-15. And First Fruits is April 12. See the enclosed 2020 Biblical Calendar):

Right After the Fall Feasts of 2019:

Set aside a second tithe. Double tithing is encouraged in Scripture to make sure that all of *Yahweh's* people are able to afford to go to the next Feast.

THE FIRST TITHE

In Scripture, the first tithe (1/10 of a family's increase) was to be given in its entirety to the Priests, who hosted the Feasts and led out in the worship of *Yahweh*. The individual giver was not to use any of it personally—Malachi 3:8-10; Leviticus 27:30; Numbers 18:21.

Tithes and offerings were not only given on Sabbaths, they were also brought to the Feast convocations:

"Thou shalt keep the Feast of Unleavened Bread... in the Time Appointed of the month *Abib*... And none shall appear before Me empty) (without tithes or offerings)." Ex. 23:15

Continued

Yahweh commands His people to gather together to observe the annual holy Festivals. And part of keeping the Feasts involves bringing tithes and offerings to sustain the cause of the Kingdom:

“Three times in a year... in the Feast of Unleavened Bread, and in the Feast of Weeks (*a.k.a. Pentecost*), and in the Feast of Tabernacles: and they shall not appear before *Yahweh* empty. **Every man shall give as he is able**, according to the blessing of *Yahweh* thy God which He hath given thee.”

Deuteronomy 16:16-17

Being ready to bring gifts of tithes and offerings to the Feast involves preparing for the Feast well in advance. But this early preparation is especially needed for the Second Tithe.

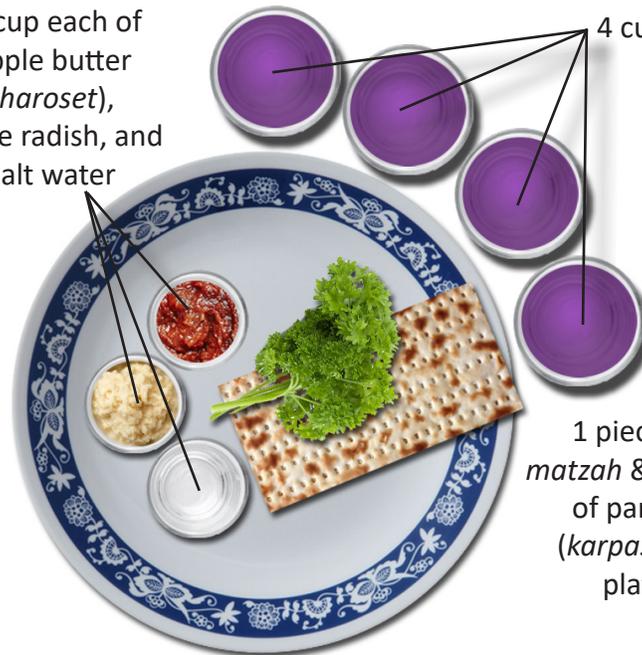

THE SECOND TITHE

God gives further instruction that another tithe (singular) was to be “eaten” (“consumed by” or “used”) by the individual tithe payer. But this tithe was not to be used at home. It was to be set aside so the family could go to and enjoy the annual festivals together.

“**Every year you shall certainly tithe [a tenth] of all the yield** of your seed which is produced by your field. **You shall eat the tithe (tenth)... before *Yahweh* your God in the place (the Feast site) where He chooses to establish His Name (Presence)**, so that you may learn to fear [and worship] *Yahweh* your God... You shall exchange your tithe (increase of crops/livestock, etc) for money, and take the money in your hand and go to the place [of worship]... (There) you may spend the money for anything your heart desires... **You shall eat there in the Presence of *Yahweh* your God and rejoice, you and your**

How to Set each Place-setting for Passover at Home:

1 cup each of apple butter (*haroset*), horse radish, and salt water

4 cups of grape juice (per person) —or 1 big glass from which to drink 4x

1 piece of matzah & 1 sprig of parsley (*karpas*) per plate

household.” *Deuteronomy 14:22-27*

Thus, we see that the Heavenly Father has given us a plan of preparation for the Feasts. When we prepare by doing the second tithe, we never need to miss out on the blessing gained by attending the Feast together with your family and with like-minded believers.

As we have seen, the monetary preparation for the next Feast begins immediately after the conclusion of the prior Feast. But the next preparation for Passover and Unleavened Bread begins when the time for the Feast is only a month or two away.

1-2 Months Before the Feast:

Begin unleavening your home. The process of unleavening a home involves deep cleaning. It was because the preparations for Unleavened Bread involved a deep cleaning this process came to be called “spring cleaning.”

Go through your cupboards and pantry.

Clean everything out as you take note of each food item’s ingredients. All leavening agents should be noted and put in a separate area. Leavened items must be removed from the home and destroyed on or by Passover:

“**Unleavened bread shall be eaten seven days; and there shall no leavened bread be seen with thee, neither shall there be leaven seen with thee in all thy quarters.**”

Exodus 13:7

In preparing for Passover by noting and planning to use up the leavened foods prior to Passover, you will have minimal food waste. Certainly, it is also a much more thorough way to unleaven your home, according to the biblical instruction.

What should you look for when taking a leavening inventory of your cupboards and pantry? Leavened foods include breads, pancake mixes, baking mixes of all kinds, crackers, cereal, and many more foods. Check the ingredient labels for raising agents such as raising yeast,

How to Set up Your Table for Passover at Home:

The Passover Seder table should have the items shown in the picture above. If you are keeping Passover at home, we are not broadcasting Passover on Livestream this year. But you can get our past Passover DVD to watch during your home-Seder. Set your table and watch and participate as we take you through the Seder experience and tell you when to use each item.

baking soda, and baking powder. Items like Brewer's yeast (even though it uses the name "yeast") are not leaven, because they are not raising agents.

But the unleavening process doesn't stop with the household pantry. Leaven is also spiritual. Spiritual leaven is sin. As you go through your home, cleansing it from physical leaven, prayerfully also remove any spiritual leaven which you may find. In this search, it is a blessing to claim Psalm 139:23-24. Spiritual leaven includes items like: ungodly books, movies, or games and images or idolatrous souvenirs (Note: often "cultural" items are really from demonic practices).

The graven images of their gods shall ye burn with fire. Thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared therein: for it is an abomination to Yahweh thy God. **Neither shalt thou bring an abomination into thine house, lest thou be a cursed thing like it: but thou shalt utterly detest it, and thou shalt utterly abhor it; for it is a cursed thing.** *Deuteronomy 7:25-26*

1 Week Before the Feast:

Unleaven your freezer(s) and refrigerator(s) in the same way you unleavened your cupboards and pantry. Collect all your remaining leavened items in one area for easy removal just before Passover.

1-2 Days Before the Feast:

Purchase the Seder food items and set up for the Passover Meal as shown in the diagram above and on the prior page. See the list of items to buy in the yellow panel on the right.

If you will be keeping Passover at your home this year, we cannot invite you to join us for our Passover Seder via Livestream. We will be giving the Passover in New Zealand this coming April, but it will not be a broadcasted event. However, you can still "join us" via DVD. To do this, simply request a copy of our past Passover DVD. Then, set your Seder table as shown and play the DVD so that everyone at the table can see it. On the DVD, we'll take you through the Seder, showing you what to do, step-by-step, and explaining the spiritual meaning of each Passover symbol. To get our Passover DVD, look for it on our included order form.

What you Need for Passover/Unleavened Bread...

Get Enough Unleavened Bread for the Whole Week of Unleavened Bread:

Since the *Torah* commands (Exodus 12:15; Exodus 13:6) each family member to eat at least a small piece of unleavened bread at every meal throughout the whole week of Unleavened Bread (all 7 days), you will need to make sure you have enough unleavened bread for Passover and the week of Unleavened Bread.

If you are buying the *matzah*, we typically get 1-2 boxes of *matzah* per family member (depending on how big a piece they will eat each meal) to last through all seven days of the Feast. Check with your local grocery store. Some stores will order *matzah* upon request. If you cannot get *matzah* from your local grocery store, you may order it online or you can get a recipe for it and make your own homemade *matzah* (this is why you need to plan ahead).

What you need for the Passover Seder Meal (See the Place Setting picture on page 10):

- *Matzah* (1 sheet per person)
- Horseradish (1 small cup size per person—we use plastic candy cups made for weddings)
- *Haroset* (apple butter) (1 small cup size per person)
- Salt water (1 small cup size per person) – mix water with salt, enough to taste salty
- Parsley (1 small bunch of parsley per person)
- Grape juice (4 small cups per person)

Miracles for Grace

From Satan's Realm to the Kingdom of Heaven

"Shall the prey be taken from the mighty, or the lawful captive delivered? But thus saith Yahweh, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children... And all flesh shall know that I Yahweh Am thy Saviour and thy Redeemer, the mighty One of Jacob." Isaiah 49:24-26

The first time Grace (not her real name) called us was about two years ago. Initially, hers was like many other calls which come through on our ministry phone line. She was a young woman who was deeply in bondage to the enemy and she wanted help.

We sent Grace our **Keys to Living Like You've Been Saved** workshop on 10 DVDs (with books and materials on spiritual warfare) and began praying for her. As Grace went through the materials, she would call with questions, or to request prayer. With each contact from her, more and more of Grace's amazing story was revealed.

Grace is a successful young woman who lives in one of the world's largest cities. But it was not her location or vocation that made Grace unusual. The thing that especially stood out about her was when Grace told us that there were no other Christians in her entire family. Grace was choosing to become a child of God without any background in Christianity, familiarity with the Bible, nor exposure to the things of God. Grace's background was Satanism! Her whole family was steeped in it!

Yet—in spite of the fact that choosing *Yahshua* meant Grace

would be standing alone—she was choosing *Yahshua*! In fact, He had been Calling her out of darkness for the better portion of her young life!

From her earliest childhood memories, Grace recalls satanic rituals being performed in which her own blood was used and—although an unwilling participant—she was a part. When Grace was just six years old, her "uncle" was assigned to her as her satanic "handler". She was controlled by a wealthy and high-powered circle of occultists (many of whom were relatives) who monitored and manipulated her through means both natural and supernatural.

How was God able to reach someone as far down into the bowels of Hell as was poor Grace? She didn't have a Bible, nor a Christian education... She didn't even have a single living family member who would speak to her of God. But even without any of those usual channels, *Yahweh* still found a way to touch Grace's dark and enslaved life...

Grace first learned about Lighted Way Ministries through Rebecca Brown, author of the spiritual warfare books ***He Came to Set the Captives Free, Becoming a Vessel of Honor***, and several others. Rebecca was a guest speaker at a Christian women's conference in a nearby state a couple of years ago.

Grace purposed to attend. After the presentation, Grace—along with many other women from the conference—gathered and waited their turns to speak privately with Rebecca Brown.

When Rebecca was speaking with the lady in line just ahead of Grace, she overheard Rebecca tell the woman to get the Dragon book by Shauna Manfredine (now titled ***Escaping From the Dragon's Jaws***). Although she didn't write the information down, the book title and author name stayed in her memory. Grace felt this information was emblazoned in her mind for a reason. She ordered the book and made her first contact with us soon afterwards.

After we sent her that first shipment of materials, Grace quickly completed the **Keys to Living Like You've Been Saved** workshop and called us to request deliverance prayer, baptism and anointing. We rejoiced to see her make this choice and invited her to come out for a Feast retreat, which we were holding just a couple of weeks later. Grace agreed and said she would arrange her airline tickets. She was coming all the way from the other side of the country.

And then... suddenly, she went silent...

Grace didn't show up for the retreat. She didn't call. We heard nothing from her at all... We sadly assumed that Grace must have changed her mind. We were sorry, of course...

We didn't learn the rest of the story until this past October, when Grace reached out to us again. So what happened? Had Grace changed her mind about God and baptism? No!

Shortly before she had planned to come here the first time, Grace was hit by a speeding car while crossing the street in her home city. Grace had been crossing legally and was slightly ahead of several others who also were crossing the street.

Witnesses told her that the driver of the car was accelerating to near freeway speed, when he hit her. The terrible impact threw Grace's small body many feet into the air. When her body landed on the roadway, she lay there as though dead.

Many onlookers thought she must be dead, for surely no one could survive such a hit! But although badly injured, Grace was alive! Quickly the ambulance was called and Grace was rushed to the nearest hospital.

But the devil wasn't finished trying to kill Grace in order to prevent her from becoming free and being baptized. While she

was recovering and yet unable to leave her hospital bed, her "uncle" (satanic handler) paid her a visit, accompanied by one of his demons. The hideous demon held the struggling girl down to the hospital bed with supernatural strength while her satanic handler attempted to kill her by injecting her with poison.

Having succeeded in injecting her, the attackers left, no doubt expecting that Grace would soon be dead.

But Grace cried out to *Yahshua* to save her—and He did! Through Rebecca Brown's books, Grace had learned to use anointing oil as a spiritual warfare weapon. Having learned this, Grace had made it a habit to always carry a small vial of anointing oil in her purse.

Now her purse was laying next to her hospital bed. Quickly Grace grabbed the anointing oil and praying she applied it, drawing an oil-ring around her upper arm, above the injection mark. God heard Grace's prayers for help. And He neutralized the poison!

What's more, *Yahweh* caused Grace's healing to be so complete that there is no trace that she was hit by the car, save only a small scar on her face. God is good! And He does save and deliver even the

"lawful captives" (Isaiah 49:24-26)!

Grace **did** come for her anointing, deliverance prayer, and baptism this past December. And on Sabbath, December 28, just prior to going down to the river for her baptism, she shared her testimony with our local fellowship group. With her permission, we have transcribed her baptismal testimony and we share it here to the glory of God:

"So... I was gonna be coming here a year ago, but as soon as I got off the phone with her (*Shauna Manfredine*) and I told her that I was gonna end up making the trip (to Oregon) and I was starting to look at flight tickets and all that stuff, I started getting sick, which was the first thing that happened.

And I called her a little bit after that and I said that I was not feeling well because of different things... (*And then*) I was hit by a car.

And then, during that time when I was trying to heal after being hit by a car, there was someone, who was like my handler when I was a little girl, who came back into my life and was trying to kill me. And they got pretty close.

But because I had spoken with Rebecca Brown prior and then read her books and stuff like that, I knew how to like deal with the different things that were going on at the time. So that I could live.

And so, after I was able to walk again and everything...

continued...

...I started getting back into pursuing what I originally wanted (*coming out to Oregon for baptism and anointing*). Once all of the dust was kind of settling... I called her (*Shauna Manfredine*) and ended up, the next day, booking my ticket. And then eventually coming here... But there was a lot of stuff that happened before that, and even during, that period.

So a little bit about my background and why those things occurred... (*It*) was because I grew up with a lot of Satanists as neighbors and I also have people in my family that are Satanists, Illuminati and Free Masons. And so, growing up, there was different blood rituals and stuff like that, that I was the subject of because they saw, when I was younger that I was really talented and motivated when it came to certain things. And so they saw those gifts, that really belonged to God, and they wanted to take them and use them. And so, they set their eyes on me.

And I was... shackled down to altars and stuff like that for blood-letting or different things where they would place different demons in me at a young age. That way they could better control me... As time went on, (*Yahshua*) had mercy on me.

Because no one around me believed in God, but He saw my heart, He started appearing to me in visions. I didn't have access to a Bible or anything like that, but when He would appear to me in visions, He would quote Scripture. And I didn't know that until later on in my life when I

actually owned my own Bible and I could read. And I was just like, "this is exactly what was said to me!"

And so, when He'd appear to me, I couldn't see His Face, but (*His Face*) was like Light and He had a long, white garment. And He would talk to me in the middle of everything that I was in. And those were the only times where I really felt safe or really felt at peace...

So they (*the Satanists*) were trying to get me involved (*in Satanism*) so that I could be like a cover for a company so that they could traffic people, and all this stuff... When I kept saying "no", it would result in beatings or them placing more demons in me... And later on, when I was getting older and I was in college... they started sending some of the people, who were more closely related to me by blood, to try to convince me by offering me different things... They would offer me... millions of dollars... fame... All these different things.

And I would keep saying, "no". And so because I was saying no... and was not going along with things... it started creating a whole lot of turmoil. And when they would send more demons to attack me, I would pray and there would be warrior angels with flaming swords that I would literally see around me fighting...

It was beautiful because (*Yahshua*) keeps His Promises that He makes to us. And everything that He promised would happen in my life in those visions has come true.

And it just shows that His love and His mercy is really able to reach anywhere. And that He is stronger than the devils. And... regardless of how much they hurt me... He showed me that I had to love and forgive all those people. And I have to obey Him versus my own emotions from everything that I had experienced. And so, He worked on me for a really long time... before I had even spoken to Shauna (*Manfredine*), because I had a huge problem with forgiveness at that time and with trusting people. But He was showing me that it's not about trusting people.

(*He said*) "Its about you trusting Me. And I will show you how to react to people."

And that had a huge impact on my life. And I feel like... there was no way (*on my own*), with all the experiences that I had growing up, that I would even be capable of loving myself or anyone in this world, because of how they (*the Satanists*) were training me to be so hateful, and greedy, and selfish.

And, if He hadn't have appeared to me when I was younger and gave me all those promises, I wouldn't be here... Everyday is really a miracle because there were so many times when I almost died and He literally intervened. There's no way that I could explain it (*where I am today*) without pointing to Him because there were so many miracles where I really can't take credit for anything. There's no way that I could have defended myself against everything that was happening in my life. And really, the only reason that I am alive is

because of Him. And so I think its only right that I dedicate the rest of my life to serving Him and doing whatever He asks of me no matter how hard or difficult it is, because I know that He'll equip me for it.

(At this point in Grace's testimony, we asked her to tell everyone about her dream/vision about the water.)

Okay, so when I was fifteen years old, I had a series of three dreams... In one of them... I was in the middle of a colosseum... And inside the colosseum, I saw hundreds of people filling all the seats, but all of them were completely black on the inside. In the middle of the colosseum, there was this huge tank where there was this huge beast on the inside of it *(the tank)* that was kind of similar to a whale. And when I was in the middle of all that *(oppressive darkness)*, I asked *(Yahshua)*, "I need You to come and help me, because I don't want to serve *(that dark beast)* with all these people.

Then there was a huge light and a breaking sound that struck into the colosseum... A beam of light broke through. And it shone on me. And I turned around and started running towards the *(Source of the)* light.

And there were all these loud screeches and then the water in the tank broke and all the figures in the colosseum started running to attack me.

As I started running up towards the hill, I saw *(Yahshua)* standing there with the white horse. And, when I saw Him there, He grabbed me and *(put)* me up on top of the

horse and He told me, "Don't stop until you get to the water."

And when I was that age I didn't know anything about baptism. I didn't know anything about the Statutes or His Law. I didn't know anything about the Bible. All I knew is that He gave me this command... And so, I was like, "I don't know what He's saying, but I'm gonna listen and obey and figure out what He means by this, in time."

So *(in the vision)*, I was on the horse... and I kept riding it until I got to this river... When we got to the river, the horse stopped. I got off of the horse and the horse just stood at my side. And I just stood at the river and I was just standing there, cause I didn't know what to do... I had no reference point... no context. So when I was standing there, I said, "Okay, God, what now? I don't know what to do."

As time went by... God had mercy on me and *(taught)* me about the significance of all that *(baptism)*."

And Grace did obey *(Yahshua)*. She didn't stop until she got to the water. It took about 15 years from the time the vision was given for Grace to make the full journey to the river at last. But she got there! On the last Sabbath of 2019, Grace made it to the water!

Our local Lighted Way Ministries' fellowship group gathered on the the edge of the North Umpqua River as Mark helped Grace out into the wintry water. Yes, it was cold. But all of our hearts were warm and overflowing with joy as

we praised *(Yahweh)* together for His saving Grace!

And when you think of all that God has done to save Grace, we must truly say that no one is beyond the Father's saving Reach! No one is too far gone from His delivering power. He plucks souls right out of the bowls of Hell itself, just as He did for Grace.

So, is there someone in your life who is lost and unsaved? Is there someone you know that is in spiritual danger? Pray for them! And remember Who it is that you are praying to. *(Yahweh)* is the Almighty! He is strong to save. Remember this, and keep praying. Because God is strong enough to save even those who are demon-filled and given to the devil in blood curses! Nothing is too hard for *(Yahweh)*!

"Shall the prey be taken from the mighty, or the lawful captive delivered? **But thus saith Yahweh, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered:** for I will contend with him that contendeth with thee... And all flesh shall know that I *(Yahweh)* Am thy Saviour and thy Redeemer, the mighty One of Jacob." *Isaiah 49:24-26*

Grace has returned to her big city home on the east coast of the United States. Her baptism was just the beginning! She is living up to her baptismal vow to live for *(Yahweh)*. Keep her in your prayers, as she goes to work to witness to her dark family and associates. Yes, her name is changed in this story, but *(Yahweh)* knows who she is.
