Is there a Second Exodus? A Return to Israel?

According to the prophecies of Isaiah, Jeremiah and more, there will be a Second Exodus in the Last Days. The Jews have taken this to mean that all people must “make *Aliyah*”, literally moving to the land of Israel. This interpretation has gained ground among Hebrew Roots believers and Christianity, as a whole.

But, in the Last Days, we are warned that the Abomination of Desolation will stand in the former holy place—being the Beast’s Temple, *(soon to stand in Jerusalem, on the site where the former Temples of Yahweh once stood, 2 Thess. 2:3-4)*. With this in mind, participating in a physical Second Exodus will place us smack-dab in the middle of the devil’s earthly headquarters, which is something we are told to “flee from” (Mark 13:14), not move towards! So, what are we to do with the prophecies of the Second Exodus?

The Second Exodus is **SPIRITUAL**, as is the **RESTORATION** of **ISRAEL**...

SECOND EXODUS: Called to Canaan

1 Corinthians 10:11—“Now all these things happened unto them (Israel in the Wilderness) for ensamples: and they are written for our admonition, upon whom the Ends of the World are come.”

The expectation of a second Exodus is gaining popularity amongst Jews, Hebrew Roots believers and Christianity overall. To the vast majority, the second Exodus involves literally pulling up stakes and relocating to the “holy land” of Israel, in a pilgrimage-style journey which is also referred to (in Hebrew) as “making *Aliyah*”. As the *Aliyah*-assisting, Jewish website ***Nephesh B’Nephesh*** explains:

“The Hebrew word **“Aliyah”** literally means **ascent or rise**, but for generations **it has been used to mean “immigration to Israel”**... Every year, thousands of North Americans make **Aliyah**, finding great jobs, warm communities, and a holistic Jewish life *(in Israel).*”

(www.nbn.org)

Scripture refers to a second, and greater deliverance that overshadows the first Exodus from Egypt. Prior to the Babylonian Captivity, Jeremiah wrote of it extensively. In the first Exodus, *Yahweh* brought out the tribes of Israel from Egypt. And as noteworthy as this Exodus was, being faithfully commemorated every Passover, there is a greater, future Exodus. According to the prophecies, the Second Exodus will be so incredible and miraculous, that the first Exodus will be all but forgotten and pale by comparison.

Here are a few of the prophetic references to the epic Second Exodus:

“Therefore, behold, the days come, saith *Yahweh*, that it shall no more be said, “*Yahweh* liveth, that brought up the children of Israel out of the land of Egypt”. But, “*Yahweh* liveth, that brought up the children of Israel from the land of the north, and from all the lands whither He had driven them”. And I will bring them again into their land that I gave unto their fathers.” *Jer. 16:14-15*

And I will gather the remnant of My flock out of all countries whither I have driven them... I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth. In His days Judah shall be saved, and Israel shall dwell safely: and this is His Name whereby He shall be called, **YAHWEH OUR RIGHTEOUSNESS...** They shall no more say, “Yahweh liveth, which brought up the children of Israel out of the land of Egypt”. But, “Yahweh liveth, which brought up and which led the seed of the house of Israel out of the north country, and from all countries whither I had driven them”. And they shall dwell in their own land.” *Jeremiah 23:3-8*

Scripturally, it is clear that a Second Exodus is coming in the Last Days. But this Exodus experience will be a spiritual one, of which the former Exodus from Egypt was a prophetic shadow. ...continued

THE SECOND EXODUS IS THE SEALING PROCESS... ..Fitting us for Ultimate Canaan

Numbers chapter thirty-three provides the listing of Israel's forty-two campsites, faithfully recorded by Moses. As 1 Corinthians 10:11 explains, the "camp" experiences in this list are the tests of the Second Exodus, which the people of God will face in the End of the World.

In the first Exodus, Israel experienced a total of 42 campsites, each with related lessons and tests, listed by Moses in Numbers 33. The fact that there were 42 recorded camp locations in the Wilderness is a message bearing deep spiritual Truths for the greater, spiritual Journey of the Second Exodus.

- **Yahweh's** sealing Name, translated in the KJV Bible as "I AM THAT I AM," is 42 letters long in Hebrew: **אֲנִי־הוּא־אֲנִי** **תִּצַּק־שָׁמַיְךָ־לִי־עֵתֶךָ**
- Forty-two is also the duration of the final Antichrist's reign (*in months*). Signifying the time of extreme testing. (Revelation 11:2; 13:5).
- Forty-two is made up of 6x7. Six is the number signifying man. Seven is the number of **Yahweh's** perfection and strength. Thus 42 reveals the keys to Sanctification and victorious Christian living.
- Two bears came out of the woods and slew forty-two young men, who were showing disrespect to **Yahweh's** servant, Elisha (2 Kings 2:24). Thus, we see a connection between the number 42 and divine Judgment.
- The phrase 'little children' appears forty-two times in the Old Testament, connecting the message of 42 with the process of becoming sons of the living God...*continued in the yellow panel, on page 7*

(continued from page 5) The prophet Jeremiah described the Second Exodus as being so great that the first Exo-

dus would be completely eclipsed by it, not even being worthy of mention, after! In order to understand why the Second Exodus is so much more significant and epic than the first, we need to adjust our thinking to better comprehend what is real. Notice the illustration of the shadow puppets on this page. Which is real: 1) the paper, “you-can-touch-them-so-you-know-they-exist” cat and man puppets, 2) or their shadows?

Most of us would naturally respond to this question with, “Of course, the part that you can **touch** is real.” Why are we so sure of this? It is very human to believe that the real is tangible while the shadow is intangible. But, in actuality, the real is Spiritual—which is intangible!

Yahweh is certainly REAL! In fact, He is the Author and Creator of all. Yet, Scripture tells us that *Yahweh* is Spiritual and exists, first and foremost, in the Spiritual Realm:

“Yahweh is a Spirit: and they that worship Him must worship Him in spirit and in truth.”

John 4:24

Additionally, when a believer gains insight into the realities of Spiritual Warfare, he quickly finds that the real cause of any “human” conflict situation or point of attack in the physical realm, is from the demonic entities in the spiritual realm. Paul explained this concept quite clearly in Ephesians 6:12:

“For we wrestle not against flesh and blood, but against

principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”

Thus, we see that the Spiritual Realm is the causal realm. It is the real, of which the physical, tangible, material world is but a shadow.

As humans, when we get mentally stuck in the mindset of thinking that the physical is real, we miss the deeper spiritual reality, in just about every Scriptural concept. Consider the following examples:

- **ABRAHAM’S SEED (ISRAEL)** - When Scripture refers to “Abraham’s Seed” (a.k.a. Israel), people thought God meant that humans with the right D.N.A.

shadow of the deeper reality that Abraham’s Seed is first and foremost a **spiritual reality**.

To show this, Yahshua plainly explained, unless one does “the works of Abraham”, one is not the seed of Abraham (Israel), no matter what their D.N.A. may happen to be! In fact, far from being the true seed of Abraham, Christ said these Jewish leaders were really the seed “of their father the devil” (John 8:31-44)! Thus we see that the Spiritual Seed of Abraham is **real**, while the physical seed of Abraham is only the shadow of it.

- **THE TEMPLE** - Another example of people interpreting prophecy literally, thereby missing the

WHAT IS REAL?

We think the **TANGIBLE** is Real...

But, actually, the Real is **Spiritual... INTANGIBLE**

were saved. This is not a new misconception. It was around in Christ’s day. In fact, the Pharisees who were rejecting *Yahshua*’s Messiahship still insisted that they were “Abraham’s Seed”—a statement which was literally true, but was totally misapplied, since the physical seed of Abraham was only a

deeper, spiritual application, is the case of the Temple. Christ said that, upon being destroyed, the Temple would be built again in three days. The pharisees and religious leaders of His day were immediately offended. They responded by saying that the physical temple in Jerusalem had taken many years to build. Who did He

of sin and our bondage to it (Spiritual Egypt) and crossing over to the ultimate Promised Land. The first Exodus was only the shadow of this real, far more epic, spiritual journey. This is why Paul could write that the physical Exodus experience was recorded as an example for the saints at the End of the World:

“Now all these things happened unto them (Israel in the first Exodus Story) for ensamples: and they are written for our admonition, upon whom the Ends of the World are come.”

1 Corinthians 10:11

think He was, that He could claim to rebuild Herod’s temple in just 3 days?

But *Yahshua* wasn’t talking about rebuilding the literal temple, although He Who had spoken the world into existence in six days, could certainly have rebuilt the literal temple in three days—or even instantly, for that matter. When *Yahshua* said He would rebuild the Temple in three days, He was referring to the greater, spiritual Temple of His own Body. And indeed, He was raised from the Dead three days after His execution. Once again, we see that the Spiritual Temple of *Yahshua* is **real**, while the physical temple in Jerusalem was only the shadow of it.

This is a pattern that continues throughout Scripture:

The physical is the shadow, of which the spiritual is the true substance.

Considering this, it should come as no surprise that the first Exodus, which was a physical journey from literal Egypt to literal Canaan, is the shadow. The real, far-greater, Second Exodus is a **spiritual journey**. In other words, the real Exodus is the spiritual journey of leaving the realm

The word “ensamples” in this Passage is translated from the Greek word ***tupos***, which means “by analogy a shape, that is, a statue, (figuratively) style or resemblance; specifically a sampler (“type”), that is, a model (for imitation) or instance (for warning).” Clearly, Israel’s journey and experience in traveling from literal Egypt to literal Canaan is the “resemblance” or shadow of the real Exodus—the Second Exodus, which is foretold to take place in the Last Days. No wonder the prophet foretold that the Second Exodus would be so much greater that the story of it would completely eclipse the memory of the first Exodus!

“They shall no more say, “Yahweh liveth, which brought up the children of Israel out of the land of Egypt”. But, “Yahweh liveth, which brought up and which led the seed of the house of Israel out of the north country, and from all countries whither I had driven them”. And they shall dwell in their own land.” *Jeremiah 23:3-8*

The ultimate Promised Land is not a small piece of Middle Eastern real estate. It is the New Heaven and Earth!

THE SECOND EXODUS IS THE SEALING PROCESS...

continued from page 5...

- The tribe of Levi was given 42 cities as part of their inheritance (Numbers 6–7), showing a connection between the faithful priesthood and the Heavenly Inheritance.
- Matthew records 42 patriarchs in the genealogy of *Yahshua*, connecting 42 with the Everlasting Covenant, embodied in Messiah.
- “The Life” as in John 14:6, occurs 42 times in Scripture. This reveals that 42 signifies Everlasting Life, and the steps one takes to regain it.
- Showing the Covenant, there are 42 lines in each column of Torah text.
- Being the very heart of the *Torah* and the root system of all Truth, it is significant that the *Torah* text known as the *Shema* (Deut. 6:4-6) is 42 words in Hebrew.
- Psalms 100, a praise to the Creator God’s most exalted Name, contains 42 words.
- Balaam offered 42 sacrifices trying to curse Israel (Num. 23:1, 14, 29). However, it is notable that Israel could not be cursed by the 42—signifying God’s eternal blessing and Covenant, which are found in this number of His Name.
- Forty two is connected with Light, specifically being the Light of the World. We see this in that it is the sum of all the Menorah parts (knobs, flowers, and branches) Ex. 25:31-40.

Plainly, 42 is a very significance number in the Kingdom of *Yahweh*. It is associated with *Torah*, the Covenant, Light, the *Shema* and it is the number of the Father’s Sealing Name. Given all of this, one can understand how the Sealing process would also be connected with 42...

(continued from page 7)
We can know this because Scripture tells us that the saved people

of *Yahweh* will “inherit the Earth” (Psalm 37:11; Matthew 5:5). In other words, the whole Earth made new is the Ultimate Promised Land. And the Second Exodus is the necessary spiritual journey we must take to reach it.

Since this is a spiritual journey, we might feel at a loss as to how we should proceed. But we are not left clueless. The first, literal journey from Egypt to Canaan is a rehearsal, revealing what it takes for the End-time, literal and spiritual sons of Jacob to inherit the ultimate Promised Land. Thus, the campsites throughout Israel’s first wilderness journey form a prototype for the stages of our Spiritual Journey in the Last Days.

Numbers chapter thirty-three provides the listing of Israel’s forty-two campsites, while Israel’s lessons and tests experienced in each encampment are recorded through the *Torah*. As 1 Corinthians 10:11 explains, the camp experiences in this list are prophetic shadows of the tests which the people of *Yahweh* will face in the End of the World. And the process of overcoming these 42 tests is the process of being Sealed for Translation. For, as Scripture says, we are Sealed in the Father’s Name (Revelation 14:1).

Yahweh’s sealing Name, translated into the KJV Bible as “I AM THAT I AM,” is 42 letters long in Hebrew:

ג תצ ר טב ש כ י ד ג נ ט ש ע ר ק צ ת י ג ב א
ת י צ ו ק ש ק צ פ ל ג י ע נ ט ב ק ח

Notably also, the 42 campsites of

Israel in the wilderness are grouped into three sets of 14 camp experiences. The first fourteen camp lessons, are about what it takes to come out of Egypt, losing our idolatrous affection for the world. In the middle fourteen camp lessons in the Wilderness, we find the Refiner’s Fire of character development, molding rebellious slaves into submitted sons. As we stay surrendered, by *Yahweh*’s in-dwelling Grace, we are fitted for Heavenly Adoption.

“For whom *Yahweh* loveth He chasteneth, and scourgeth every son whom He receiveth. If ye endure chastening, *YAH* dealeth with you as with sons. But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons.” *Hebrews* 12:6-8

The third and final 14 encampments in the End-Time Wilderness Journey is especially relevant. Here the lessons and tests center on Spiritual Warfare and Revelation in the Wilderness.

There can be no question that the Wilderness Journey is a prophetic message which predominantly applies in the Last Days.

“For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the

Scriptures might have hope.”

Romans 15:4

As was mentioned previously, each of the camping places throughout ancient Israel’s literal journey corresponds to a letter in *Yahweh*’s forty-two letter Name. Significantly, these are the same forty-two letters that are found at the beginning of the *Torah*. This is yet another evidence

that this Spiritual Exodus Journey is the process of being Sealed. For Scripture teaches that we are not only sealed in the Father's Name, we are also sealed in the *Torah*:

"Bind up the Testimony, Seal the Law (*Torah*) among My disciples."

Isaiah 8:16

Thus, each first-Exodus, camp-name, number and experience reveals, letter-by-letter, the forty-two stages of the final Sealing process. They foreshadow the coming End-Time challenges in allegorical types. Obviously then, understanding the first Exodus lessons helps us prepare to face the End-time, Second Exodus tests victoriously—in full surrender.

And what is at stake in failing to complete the Exodus journey? The Promised Land! In the first Exodus it is estimated that about 2,000,000 people began the journey, leaving Egypt in about 1446 BC. But, only 2 of them (with their families) reached Canaan at last: Caleb and Joshua. Statistically,

that's close to 1 in a million!

Clearly, the lessons and tests of the Exodus experience are not to be taken lightly, or an easy victory assumed! As sobering as this is, we may be comforted with the reminder that **what *Yahweh* requires, He also enables us to complete in His strength.** It is our part to continually surrender our will. And when we do, He will give us the victory:

"And He said unto me, My Grace is sufficient for thee: for My Strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me."

2 Corinthians 12:9

Throughout this trying and testing process, *Yahweh* is only asking to be believed and trusted. The devils believe (James 2:19), but they do not trust in nor submit to *Yahweh*. We are "born again" into sons of the Living *YAH*. As such, we live in full, trusting obedience under His divine protection, direction,

and provision. In this surrendered state, we may rest in the promise that *Yahweh* will supply all our needs by *Yahshua* (Philippians 4:19).

After final Israel is sealed in *Yahweh's* Name—a process which is foreshadowed in the 42 campsite experiences of ancient Israel—the last stage of the Second Exodus involves the conquest of the land. What was a physical conquest of literal Canaan, for ancient Israel, is a spiritual conquest for the Last Days. End-time Bible prophecy foretells that the people of *Yahweh* will go to war against Babylon.

"Thou art My battle axe and weapons of war: for with thee will I break in pieces the nations, and with thee will I destroy kingdoms... And with thee will I break in pieces captains and rulers... And I will render unto Babylon and to all the inhabitants of Chaldea all their evil that they have done..." *Jeremiah 51:20-24*

Not surprisingly considering that ancient Israel's experiences were all prophetic shadows for End-times, the future fall of Babylon is foreshadowed in the conquest and fall of Jericho long ago. As a result, Israel's conquest of Jericho gives many insights into the ultimate overthrow of Babylon.

"And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen... For in one hour is thy judgment come... Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all." *Revelation 18:2, 9-10, 20-21*

One powerful parallel between the fall of Jericho and the fall of Babylon is the work of the Two Witnesses, known in the Jericho story as the two faithful spies. Scripturally, it is necessary to establish a matter through the testimony of at least two witnesses. This requirement was established by *Yahweh* Himself.

...continued

(continued
from page 9)

**“At the
mouth of
two wit-
nesses,
or three
witnesses,**

**shall he that is worthy of death be
put to death; but at the mouth of
one witness he shall not be put to
death.” Deuteronomy 17:6**

**“Moreover if thy brother shall tres-
pass against thee, go and tell him
his fault... But if he will not hear
thee, then take with thee one or
two more, that in the mouth of two
or three witnesses every word may
be established.” Matthew 18:15-16**

In *Yahweh's* just Kingdom, final judgment cannot be rendered without the work of two witnesses. As only two of the ten spies were faithful, Scripture shows that two witnesses were sent unto Jericho before *Yahweh* rendered judgment against that great city.

In parallel, there will be Two Witnesses sent unto Babylon as well, foretold in Revelation Chapter Eleven. It will only be after the Two Witnesses have given their testimony that ultimate Babylon will fall and the reign of the Beast will cease. Even at the End of the World, Judgment will not be rendered until the Testimony of the Two Witnesses has been heard.

**“And I will give Power unto My Two
Witnesses, and they shall prophesy
a thousand two hundred and three-
score days, clothed in sackcloth.”**

Revelation 11:3

Another shadow-picture from the first Exodus, which will play out, in a more epic way, in the Second Exodus, is the conversion of Rahab. A harlot who lived in Jericho, Rahab, through the opportunity given by the Two Witnesses, could choose to repent and turn to

God, during their testimony. Because she did so, Rahab found salvation for herself and everyone in her house. In the same way, all who hear the testimony of the final Two Witnesses – and repent – will be counted among Israel, will be redeemed from the falling kingdom of ultimate Babylon, and will join the Second Exodus to reach the Heavenly Canaan.

Prophetically, the Final Battle in possessing their inheritance, was Israel's conquest of Jericho. This took place in the final seven years! As Bible prophecy foretells, the Battle of Armageddon will be fought and Babylon will fall, in the same way that Jericho fell long ago. Thus, we see that the fall of Babylon will take place just prior to the ultimate Jubilee, in which *Yahweh's* saved will enter the ultimate Promised Land.

The word “days” in Genesis 6:3 is translated from a Hebrew word which can literally mean “24-hour days”, or it can also apply figuratively, meaning “ages” or “cycles”. Since we know that the human lifespan is typically longer than 120 literal days, the context of this verse applies to ages or cycles—specifically the Jubilee cycles. Notably, since old-time Creation-ists have understood the earth to be about 6000 years old. It has long been known by such that *Yahweh's* people would enjoy the great Sabbath of the 7000 year with the Saviour. And in this teaching also we find another evidence for the Jubilee cycles to conclude at 120:

50 (years in a Jubilee cycle)

x 120 (Jubilees) = 6000

6000 = 120 Jubilees

At the conclusion of the 120th Jubilee, the 7000th year will commence.

Jubilee is the fiftieth year. From the Book of Genesis, we find a significant key regarding Jubilees. *Yahweh* ordained exactly 120 Jubilees to the fall of Babylon and the End of the World.

**“And *Yahweh* said, My Spirit shall
not always strive with man, for
that he also is flesh: yet his days
shall be an hundred and twenty
years.” Genesis 6:3**

The Jubilees also form an interesting pattern of 40's, which points to a total of 120 Jubilee cycles:

40 Jubilees from Adam to Abraham

40 Jubilees from Abraham to Yahshua

40 Jubilees from Yahshua to the End

= a total of 120 Jubilees

Notably, the next Jubilee will be the 120th, as we have already seen 119 Jubilees since the Fall of man! But what does the Jubilee information have to

do with our study of the Second Exodus? Babylon's fall parallels Jericho's in that it will take place in the year of the Jubilee—specifically, at the end of the world, in the beginning of the 120th and final Jubilee!

Yes! The exciting reality is that there really *is* a Second Exodus! And its amazing commencement is coming in the very near future! But unlike the first Exodus which spanned a small scope of real estate and ultimately concluded with a relatively small plot of ground in the Middle East, the Second Exodus will be a spiritual journey of such epic proportions and far-reaching implications, that

the people who complete it will no longer be of this world!

The encampments of the literal Exodus involved 42 campsites of lessons and tests, which - when passed - made Israel fit for the earthly promised land. Similarly, but on a much greater scale, the Second Exodus will also involve lessons/tests, which are the process of being Sealed in the Father's 42-letter Name. Those who are so sealed, are fitted to live forever in the Ultimate, Heavenly Canaan. Truly then, the lessons and test of the Second Exodus are greater than the first by far. But they are foreshadowed in the former. The

first part of the Sealing process involves the messages of the first 14 camps. It is about spiritually coming out of Egypt and having spiritual Egypt removed from us. The second set of 14 "camps" in the Sealing process involves receiving the Adoption to be sons of the Living God. And finally, in the last 14, we are being equipped and prepared for Spiritual Warfare, in training preparation for the final Armageddon and the ultimate fall of Babylon.

So suit up and stay prayerfully surrendered! The Second Exodus is starting soon!

Has the Final 2300 Days Already Begun?

If so, What Confirming Evidence is There?

October 10, 2027 is the Final Day of Atonement, Prior to the 2nd Coming...

As is shown in the two yellow panels on this page spread, there are numerous evidences to show that the final 2300 Day timeline fullment will occur at the End of the World, concluding on the ultimate Day of Atonement:

- The 2300 Day Timeline is the timeline pertaining to the length of time the Abomination of Desolation stands in the holy Place (*where the former two Temples of Yahweh once stood*)—Daniel 8:13-14
- The 2300 Day timeline ends when the Sanctuary is cleansed, which occurs on the Day of Atonement—*Leviticus 16:16-17* “And he said unto me, Unto two thousand and three hundred days; then shall the Sanctuary be cleansed.” *Daniel 8:14*
- **Yahshua** died on Passover, in the Jubilee year, which was 27-28 AD
 - **Yahshua was baptized in 27 AD**
 - **Yahshua was 29, nearing 30 years old at His baptism** *Luke 3:21-23*
 - **Yahshua began His ministry in the 46th year of Herod’s Temple construction, which began in 19 BC — John 2:13-20. 19 BC + 46 = 27 AD**
 - **27 AD was also the 15th year of Tiberius’ reign (Luke 3:1), which is counted from 12 AD. Scripture says Yahshua was baptized in the 15th year of Tiberius’ reign, which was 27 AD: 12 AD + 15 = 27 AD.**

Could the timeline of the Abomination of Desolation be shortened? According to Daniel 8:13-14, the establishment of the Abomination of Desolation and the start of the persecution of the “host” (saints) are the two events which mark the beginning of the final 2300-Day timeline. In fact, the 2300 Days timeline is the timeline of the Abomination of Desolation, which is cast down on the final Day of Atonement.

But, in Matthew 24:15-28 (the section of Matthew 24 that is on the topic of the Abomination of Desolation) *Yahshua* said that the days would be “shortened” or else no flesh would be saved (Matthew 24:22).

What “days” would be “shortened”? By context it is the 2300 day timeline—the timeline of the Abomination of Desolation. But what does this mean? If the timeline itself is shortened, it isn’t 2300 days long anymore... The timeline then becomes immeasurable and the Daniel 8 prophecy is largely rendered “void”. But one thing we can be sure of is that *Yahweh’s* End-time prophecies cannot be voided:

“For as the rain cometh down, and the snow from heaven... So shall My Word be that goeth forth out of My Mouth: it shall not return unto Me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.”

Isaiah 55:10-11

Clearly, the Abomination of Desolation’s 2300-Day timeline prophecy cannot be voided. How then can the

Abomination of Desolation (specifically, according to Matthew 24:15-28) be “shortened”? Certainly, the length of a timeline cannot be cut short without voiding the time-prophecy. But what if the 2300 Day **timeline** isn’t shortened, but rather the **events** in it?

For those of you who have been studying with us, you will recognize the date of June 23, 2021... It is the day which is exactly 2300 days prior to the Day of Atonement (*October 10*) in the year 2027:

DAY OF ATONEMENT, 2027

(October 10, 2027) — 2300 days = June 23, 2021

(See the yellow panels on the left and right for evidences that October 10, 2027 is the final Day of Atonement.)

Counting backwards 2300 days from this final Day of Atonement, has led us to quietly mark June 23, 2021 as the likely starting point of the final 2300-Day timeline. But did anything of prophetic significance occur on June 23 to confirm it as the kick-off point of this timeline?

This is an important question—one which requires as thorough an answer as one can give Scripturally. To respond, let’s start off with considering the major world events which took place on this day in June:

- Peter Daszak (*the scientist who funded the Wuhan Institute of Virology’s ‘gain of function’ research*), was removed from the UN commission investigating COVID origins.
- Philippines President Duterte threatened to jail those

refusing COVID shots and forcibly inject them.

- The UK government signed off

on a deal for COVID passports with the IT company *Entrust* (the company who suggested this as the National ID system).

- In Israel, *All United*, launched a campaign calling for Jews around the world to unite and commit to studying the **Kabbalah** (an occultic, Jewish work studied by many Satanists and witches) and use the “collective consciousness” to bring the Messiah.
- A British destroyer entered Russian waters in the Black Sea. Russia fired warning shots and dropped bombs heightening tensions...

And these are just a few of the significant events which happened on June 23, 2021. But notably amidst these events, there are none which definitively launch the 2300-Day timeline. This leaves Bible students with a serious question:

Was June 23, 2021 the beginning of the 2300 Day Timeline?

The 2300 Day timeline is the timeline of the Abomination of Desolation. And the Abomination of Desolation (being the false Temple and/or rein-statement of animal sacrifices on the former Temple Mount, as we have shared many times) did not appear on June 23.

At casual glance, June 23 appears to be of no importance whatsoever. Thus, if we are looking only at June 23 to answer the question of wheth-

er or not the final 2300 Day timeline has begun, we would naturally be inclined to think it had not. But June 23, 2021 was never—in and of itself—a date with any significance. The date with significance was always October 10, 2027, which is, if our calculations and timelines are correct (see the yellow panels), the Final Day of Atonement on Earth. And when you count backwards from October 10, 2027, you arrive at June 23, 2021. It’s the October 10, 2027 date which is compelling, with numerous confirming witnesses.

The Abomination of Desolation timeline is the 2300 days, but while the timeline itself must be its full length, Messiah Himself said that the duration of the Abomination would be shortened for His people’s sakes.

Let’s take a closer look at *Yahshua*’s prophecy of the Abomination of Desolation, found in Matthew 24. We’ll start in verse 15 in order to show that *Yahshua* is specifically referring to the Abomination of Desolation being shortened:

“When ye therefore shall see the Abomination of Desolation, spoken of by Daniel the prophet, stand in the holy place... And except those days should be shortened, there should no flesh be saved: but for the elect’s sake those days shall be shortened.” *Matthew 24:15 & 22*

For this reason, even though the Abomination of Desolation does not yet stand in the former holy place, we **do** see evidence that the 2300 day timeline could begin without it, if *Yahweh*, in mercy has shortened the days of suffering. However, because of the confirmation for the 120th Jubilee, it is most likely that indeed the 2300 days has begun...

continued from page 12...

- **Yahshua** died on Passover, in the Jubilee year, which was 27-28 AD... *continued*
 - **Yahshua was Crucified in 28 AD.** This was a literal fulfillment of the Daniel 70 Weeks prophecy—Daniel 9:24-27
 - **Yahshua said it was the Jubilee, a.k.a. “Acceptable Year of Yahweh”—Luke 4:14-21**
 - **The Passover Lamb was a male lamb of the first year (under two years old)—Exodus 12:5-6.** From John’s Baptismal pronouncement (27 AD) that *Yahshua* was the “Lamb of God” through His Death (28 AD) was 70 weeks in fulfillment of this.
 - **Early Christians taught that Yahshua ministered for just over 1 year (numerous historical writers state this, including: Tertullian, Lactantius, Filastrius, Gaudentius, Evagrius, Orosius, and Ephraem).**
 - **Josephus’ writings support 27-28 AD being a Jubilee.**
- **Once we know one Jubilee (the Crucifixion year), we can calculate any future Jubilees...**
- **Yahshua will return in the final Jubilee, according to Bible Prophecy.**
- **Jewish records show that when Solomon’s Temple stood, Jubilees were calculated by adding 50 years (not 49). So adding 50s to 27-28 AD means that 2027-2028 AD is the next Jubilee.**
- **Scripture also teaches that there will be a total of 120 Jubilees. Notably, the Jubilee of 2027-2028 is the 120th!**
- **Jubilees begin on Atonement—Leviticus 25:9. The 120th Jubilee begins on Atonement in 2027, which is October 10, 2027.**

FEAST OF TABERNACLES RETREAT

October 22-30, 2021

Save the Retreat dates and plan to join us for a special Fall Retreat! We will be continuing our time of spiritual fellowship and worship one day past the Last Great Day this year. This is because the Last Great Day (following Sukkot) falls on a Friday, which makes it natural to extend the worship/fellowship to include the 7th Day Sabbath beyond. The schedule for our upcoming Feast of Tabernacles (Sukkot) Retreat is shown on the following page. You may join us online (for all of the scheduled presentations) and in person. Please RSVP for in-person attendance as we need to insure we have sufficient food and seating for all. To RSVP, call (541) 672-1514 or indicate it on the enclosed Order Form,

in the Retreat Registration section.

What to Expect at this Retreat:

- Mark Manfredine will give a new Spiritual Warfare series called "Unshakable". To be ready for the final, glorious Sukkot, we truly need to be unshakably founded upon the "bedrock" of Truth and Messiah. In this timely series, Mark will unmask many of the enemy's most dangerous, End-time weapons and fronts of attack, sharing Scriptural encouragement, warning, and instruction for overcoming victory...
- Shauna Manfredine will continue (and complete) her new "The Second Exodus" series, which was begun in our online broadcast on Sabbath, August 21. The spiritual lessons and tests which Israel faced in their journey from Egypt to Canaan are shadows of the End-time Lessons and Tests we all face in our journey from spiritual Egypt to the ultimate Promised Land. It is all about being Sealed in the Father's Name...

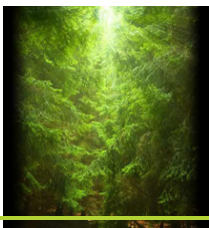

Camping & Retreat Details:

There is no charge for attendance. Camping arrangements must be made by participants, off grounds. Recreational activities are scheduled for added rest and delight!

and MORE...

The Lighted Way News Magazine

Here's the latest update on what's new and what's next:

WHAT'S NEW WHAT'S NEXT

WHAT'S NEW:

- **A NEW SWITCHER** - after being unable to broadcast for three weeks, due to our switcher being sent in for repairs, we decided to purchase a second, new-to-us switcher to get back up and broadcasting more quickly. We are praising Yahweh that Mark was able to find a used switcher for under \$1000.00! We have not yet decided what to do with the second switcher, once our old switcher is finally fixed. Perhaps we'll

keep it as back-up to help prevent further lengthy shut-downs. But for now, it seems it could be several weeks more before our old switcher is back in our hands. So we are very grateful for the find of the new switcher so that we don't need to keep you all waiting for us to return to Sabbath broadcasting.

WHAT'S NEXT:

- **THE FALL FEASTS.... OCTOBER—2021**—We are prayerfully making plans now for the upcoming Feast of Trumpets and Day of Atonement (both of which will be special weekend-long events here at Lighted Way Ministries) and also our Fall Retreat, which starts Friday, October 22 and runs through Sabbath, October 30. We will be broadcasting meetings on the following topics: **Unshakable Series** (a new spiritual warfare series by Mark Manfredine) and **The Second Exodus Series** (a series by Shauna Manfredine which was begun in August and will be concluded during Sukkot.) There will also be recreation moments between meetings, including a group trip to the local Wildlife Safari, a waterfall hike, and more. Or, if you are unable to come in person, save the dates and join us online!
