Session 1: "Five Keys that Unlock Bible Prophecy"

Date: August 25, 2020 @ 10 AM (PDT)

1) Bible prophecy is often misunderstood and/or misapplied, even by believers. The following are two examples of Bible prophecies which were misunderstood and misapplied in Messiah's day:

- John the Baptist -
Expecting a literal fulfillment (literally Elijah) when it was a spiritual application.
It was a misunderstanding of Malachi's prophecy. There are three
fulfillments of any prophecy: 1) Elijah himself was the forerunner for one
greater (Elisha) 2) John the Baptist (spiritual) 3) its often literal... more often
- The Role of Messiah -
The Jews misapplied Second Coming Judgement prophecies with His
first advent.

2) There are four main reasons that prophecy is misunderstood and/or misapplied:

- Failing to USE the FIVE KEYS
- Prophecy is TIME sensitive – Daniel 12:9
- Falling prey to convenient MATH
- Relying on EXTRA - BIBLICAL interpreters – 1

2 Peter 1:20-21 Peter 1:20-21; Isaiah 28:9-10; Revelation 19:10

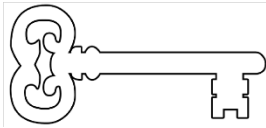

3) Why is Bible Prophecy so difficult to interpret? It wasn't meant for people
to access the "gold" of understanding, unless we are part of Yahweh's Kingdom.

If we are in the "light" we will understand - if we are in darkness, we won't.

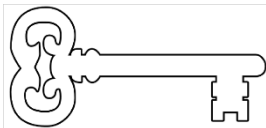

- Luke 8:10 Everything that Yahweh will do is in the prophecies.
- 1 Thessalonians 5:1-6
- Amos 3:7
- Genesis 18:16-21

4) Who should be able to correctly interpret and apply Bible Prophecy? (Luke 8:10) The children of the Kingdom (the saved)

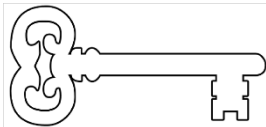

5) What is exclusively given to this group, making it possible to correctly interpret and fully understand Bible Prophecy? the FIVE KEYS:

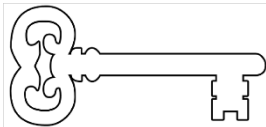

The TORAH (the Scriptural Epicenter - Source - of all Light)

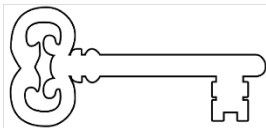

The PROPHETS (Line upon line in Scripture)

The FEASTS (Leviticus 23)

The MAZZAROTH (the Heavenly Lights) - Genesis 1:15

The SABBATICALS and JUBILEES
