Date: August 27, 2020 @ 10 AM (PDT)

### 1) The First Key to Unlock Bible Prophecy

The TORAH (Law of Yahweh)

---

Torah \_\_\_\_\_ is the Hebrew word for the Law \_\_\_\_\_ of Yahweh.

Look up Deuteronomy 30:10 in E-sword (or Strong's). Complete the following table:

Key Word	Strong's #	Hebrew Word	Meaning
Law	H8451	Torah	a precept or statute, especially the Decalogue (10 Commandments) or Pentateuch (First 5 Books)

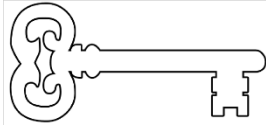

- What Books of the Bible are involved in this prophetic key?
  - Genesis
  - Exodus
  - Leviticus
  - Numbers
  - Deuteronomy
- Where in the Bible does it tell us to use the Torah \_\_\_\_\_ as a key to enlightenment on any subject (including Bible Prophecy)?  
Isaiah 8:20

Write out this Scripture:

"To the law and to the testimony: if they speak not according to this word, it is because there is no light in them."

The first key gives us what needed element for correctly interpreting Bible prophecy? Understanding - and spiritual enlightenment come from using Torah to decode Bible prophecy

## 2) The Second Key to Unlock Bible Prophecy

### The PROPHETS

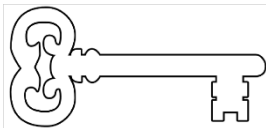

Similar to building a puzzle, all the topical (on the same topic) prophecies must fit together in order to rightly interpret a Bible prophecy.

**Until all the prophets on a topic fit together, we don't have the picture right.**

- 2 Peter 1:20-21 - prophecy cannot be "privately interpreted" - no prophecy can be correctly understood by just studying it alone - prophecy is unlocked by studying and interpreting through all the prophets.
- Isaiah 28:9-10 - We understand prophecy line upon line (again its taking all the prophecies on the topic) and precept upon precept (multiple witnesses) In the mouth of two of three witnesses - Remember Joseph and Pharaoh's dreams - doubled as a Divine seal of authenticity.

The second key gives us what needed element for correctly interpreting Bible prophecy? The full details of the prophetic events (not timing & not the order of those events)

## 3) The Third Key to Unlock Bible Prophecy

### The FEASTS (mo'edim) - Leviticus 23

feasts = H4150

**The Bible was not written in English - so look at the original words**

How can we know that this is a key to unlocking Bible prophecy?

- Daniel 8:19 - at the time appointed (H4150 - Feasts) the end shall be.
- Daniel 11:27 - for yet the end (of the world) shall be at the time appointed. (H4150 - Feasts)
- Daniel 11:35 - the time of the end: because it is yet for a time appointed (H4150 - Feasts)

- Colossians 2:16-17 - The holy days are a key (shadow of things to come) to unlocking End-time prophecy.
- In Leviticus 23, the Feast are called “holy convocations”. What is the Hebrew word for this name? Mikraw  
What does it mean? a rehearsal (practice session for a coming event)
- The word “Feasts” is translated from what Hebrew word? mo'ed (H4150)  
What does this word mean? an appointment, that is, a fixed time or season; specifically a festival
