Worksheet 2: “Zechariah’s Visions – Vision 6:

The leaden Ephah with two Women

Date: December 5, 2022 @ 9 AM (PDT)

Fourth Vision: Zechariah 5:1-11

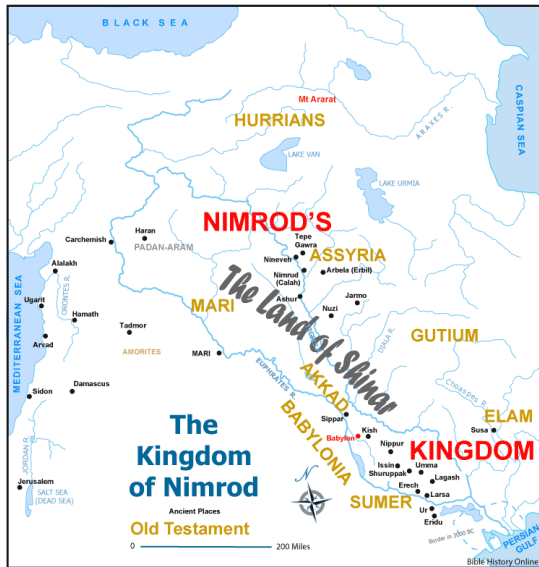

Prophetic Symbols in the Vision:

Prophetic Symbol	Meaning
Leaden Ephah	The flying megillot (roll) is a roll-shaped object which has wings, brings a curse – death to the wicked... It brings a curse into a house that lingers beyond. It contains a leaden ephah which holds two “women” being a two-stage fire device. The curse that lingers is radiation. And the ephah being lifted between earth and heaven is detonation and this flying ephah truly fits the description of a nuclear missile.
Land of Shinar	The flying roll is based (its point of origin) is the Land of Shinar – which is modern day Iran – Iraq... The place in which the conflict of Daniel 8 (ram and he-goat) is occurring.
Two Women	The two women (Hebrew connection to fire) in leaden ephah (nuclear material is carried/contained in lead) is a two-stage fire device, as is common in nuclear missiles.

- Zechariah’s 6th vision will affect how much of the earth? (Zech 5:3) – this is a curse that goes forth into the whole earth – meaning it effects the whole globe –a global curse.

- Where does this curse originate from (on the globe)? (Zech 5:11) It's base or "house" (point of origin) is the Land of Shinar, which is largely Iran and Iraq on a map today.

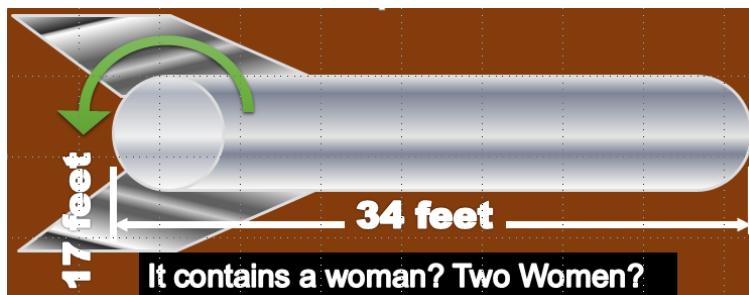

- What countries are in this region today? Iran, Iraq, Syria, Turkey, Saudi Arabia... the Middle East

- How does the Bible describe the flying roll of Zechariah 5? List all the physical characteristics and explain what they mean:
 - **It a flying roll** – which is a *megillah* in Hebrew, meaning a small (not a whole Torah scroll, but a single roll like the book of Esther). This is a specific shape. And it flies...
 - **It is described as being 20 cubits long and ten cubits in breadth (which is circumference)...**
 - 1 cubit = 20.62 in.
 - 20 cubits = 34 feet long
 - 10 cubits = 17 feet in circumference

- **This global curses that causes death, specifically to the unrepentant sinners (thieves, hypocrits, swearth)**

- **Yahweh says that He is going to do this thing** – Zechariah 5:4 “I will bring it forth, saith Yahweh of hosts”
- **It lingers behind in the house, when it enters** - Zechariah 5:4 “and it shall remain in the midst of his house”
- **The flying roll obliterates physical things... timber... stone...** - Zechariah 5:4 “shall consume it with the timber thereof and the stones thereof.”
- **The flying roll is an ephah** (pictured previously) – which is a biblical times container of a specific size... but its purpose is a vessel to contain something.
- **The ephah is made of lead** (Zechariah 5:7)

Nuclear Casks Application Information

Nuclear casks are heavily lead shielded containers used to store and or ship radioactive materials.

Items such as spent nuclear fuel or other high-level radioactive waste. Casks are often made from lead, concrete, and steel. Casks must meet regulatory requirements and are not intended for long-term disposal in a repository.

Spent nuclear fuel shipping casks are used to transport spent nuclear fuel used in nuclear power plants and research reactors to disposal sites. Each shipping container is designed to maintain its integrity under normal transportation conditions and during hypothetical accident conditions. Casks are designed and tested to withstand crashes, fire, water immersion and puncture. To be certified, a cask design must withstand a sequence of four tests that measure its performance in specified crash and fire accident conditions.

- **A woman sits in the midst of the ephah...** so it contains a “woman”. (Zechariah 5:7)
- **The ephah also contains “wickedness”** – a judgment for wickedness...
- **“There is lead upon the mouth of it”** – Zechariah 5:8
- **It is flying... and out of it come “two women”** – Zechariah 5:9
- **This flying roll has wings like a stork** – Zechariah 5:9
- **They (the “women”) lift this ephah up between the earth and heaven** – Zechariah 5:9
- **It’s point of origin is in the Land of Shinar** – Zechariah 5:11

- It holds two women? What does the prophecy mean?
- How can we know that this flying thing contains fire and not women? The Hebrew word for fire and the Hebrew word for women is very close...

Woman אשה יחד

Fire אש יחד

- If you remove Yah from “man” and “woman” you get fire –in fact double fire...
- **Men, Women and Fire**, p 16 (Dr. Frank Seekins): “When a Hebrew word is doubled, ie King of Kings, Lord of Lords, Fool of Fools, this describes the best – or the worst. The Fire of Fires describes the worst, most devastating, hurting form of fire. Without Yah, all we have left is destruction.”

Man = Ish

יחד

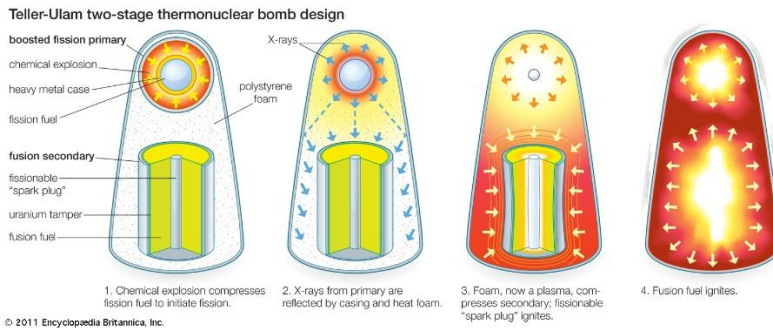

Hey– Yod

YAH

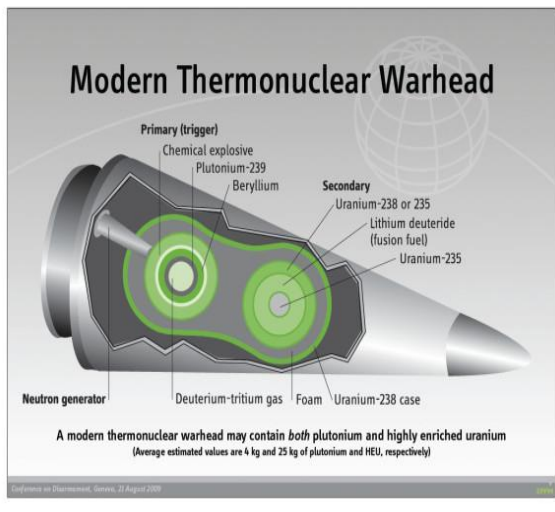

Woman = Ishah

יחד

- The nuclear leaden ephah does indeed contain two fires – its called a two-stage fire device...

So, in a modern thermonuclear warhead, the tip is the ephah (container) made of lead, containing two fires...

- Cross References to add understanding to the prophecy:

- **Zechariah 14:12** - "And this shall be the plague wherewith Yahweh will smite all the people

that have fought against Jerusalem; Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth."

- In Hiroshima, radiation from the nuclear bomb did consume people's flesh and eyes... This is an accurate description of radiation... Consider the following historic images of people

with Hiroshima radiation burns.

Revelation 9:1-11 –

- **Rev 9:1** "And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the **bottomless pit.**"

- **Rev 9:2** “And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.”
 - **The Abyss** – is a holding place (prison) for cast out demons
 - **Luke 8:31** And^{G2532} they (the demons) besought^{G3870} Him^{G846} that^{G2443} He would not^{G3361} command^{G2004} them^{G846} to go out^{G565} into^{G1519} the^{G3588} deep.^{G12} (abussos – Bottomless pit)
 - All demons will be loosed upon the earth when then Bottomless Pit is opened.
 - The “strike” is like a scorpion – stings of the scorpion are highly painful and last for a long time... The “sting” of these scorpions could be radiation. It lasts five months... people want to die and cannot (Revelation 9:3-6).
 - The harm is to people, but not stuff... this too is present in the radiation areas...

Revelation 9:7-10 “And the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men. And they had hair as the hair of women, and their teeth were as the teeth of lions. And they had breastplates, as it were breastplates of iron; and the sound of their wings was as

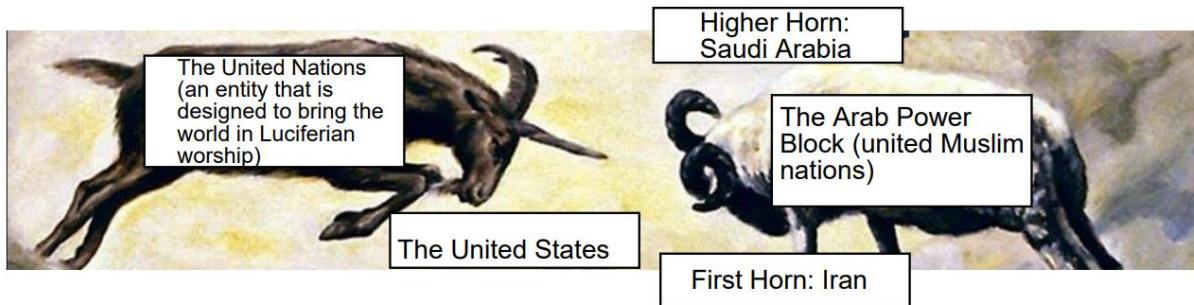

the sound of chariots of many horses running to battle. And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.”

- The locust shape, with scorpion tails... with metal covering them...

This is the shape – helicopters again fit this shape.

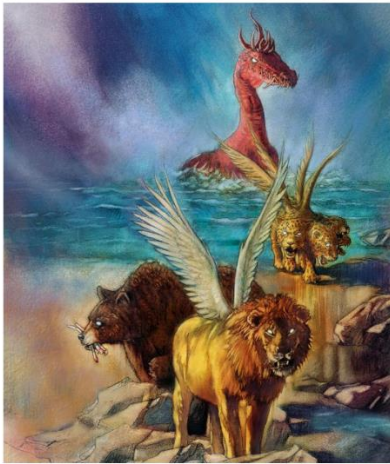

- These locust sound like horses running to battle – helicopters sound like the horses running.
- **Perhaps this is a demonic manifestation... and is supernatural completely.**
- **Daniel 8:1-20** – The conflict between the ram and he-goat powers takes place in the Middle East... this, in modern terms is WWII... While this conflict has had a past application (Greece/Persia), it is an End-time Prophecy – Daniel 8:17 – “...this vision is for the latter days”.

“And I saw him (the goat) confronting the ram , he (the goat) was moved with rage against him (the ram), attacked the ram, and broke his two horns.” Daniel 8:7

Daniel 11:1-4 – “Also I in the first year of Darius the Mede, *even I*, stood to confirm and to strengthen him. And now will I shew thee the truth. Behold, there shall stand up yet three kings in Persia; and the fourth shall be far richer than *they* all: and by his strength through his riches he shall stir up all against the realm of Grecia. And a mighty king shall stand up, that shall rule with great dominion, and do according to his will. And when he shall stand up, his kingdom shall be broken, and shall be divided toward the four winds of heaven; and not to his posterity, nor according to his dominion which he ruled: for his kingdom shall be plucked up, even for others beside those.”

After the _____ U.S. (notable horn) _____ power is removed from the picture, there will remain only four permanent Security Members of the UN, which are the four beasts of Daniel 7 and the four horns on the goat power from Daniel 8.

Daniel 11:15-16, 30 – “So the king of the north shall come, and cast up a mount, and take the most fenced cities: and the arms of the south shall not withstand, neither his chosen people, neither *shall there be any* strength to withstand. But he that cometh against him shall do according to his own will, and none shall stand before him: and he shall stand in the glorious land (Israel – Jerusalem), which by his hand shall be consumed.”

- **The Little Horn of Daniel 7** – grows out of the four beasts (the fourth beast)... These four beasts are four horns in Daniel 8... Out of the four, comes the Little Horn. The Little Horn is the King of the North... which rises to full power – global dominance – out of this conflict.
- **Numbers 24:23-24** – “And he took up his parable, and said, Alas, who shall live when God doeth this! And ships *shall come* from the coast of Chittim, and shall afflict Asshur, and shall afflict Eber, and he also shall perish for ever.”
 - **Assur and Eber are located in the modern Middle East** – the region of Iran/Iraq/Persian Gulf.
 - The U.S. has stated that we may have to change our attack if the Arab world unites against us. We would no longer be able to attack from the south.
 - The last safe haven for western forces is Greece – This will be the launch pad for attack when the Arab nations unite.
 - The little Greek Island of Cyprus has main British/Coalition airbases.

The Biblical Chittim, is modern day Cyprus

- Zechariah 1:18-21 – Bible prophecy tells us that Yah will “scatter the power” of the “holy people” ... aka “the Gospel” to the whole world.
- The four horns are the powers that “scatter” the holy

people...

- Daniel 12:7 “...it shall be for a time, times, and an half; and when he shall have accomplished to scatter the power of the holy people, all these things shall be finished.”
 - This scattering takes the “power” of the holy people to whole world. What is our power? Their “power” is their connection to Yahweh – the Holy Spirit. When the Holy Spirit is carried to the whole world – “the Gospel of the Kingdom will be preached in all the world for a witness, and then shall the End come.”

- Ezekiel 25:2, 11, 14 – Ezekiel 25 is a prophecy of Judgment against Edom, Moab and Ammon... These powers are being Judged.
- Obadiah 1:1-9 – Edom/Esau descendents... destroyed.
- Psalm 91:1-11 – We are not to be afraid of the “arrow” that flies by day, nor the pestilence that walks (overtakes) in

darkness... A thousand will fall at the side of Yahweh’s people and

10,000 at their right, but it will not come nigh thee... only with thine eyes shalt thou behold and see the reward of the wicked.”

- How fast does the crisis appear to come upon the world?
 - **Isaiah 47:11** – “Therefore shall evil come upon thee; thou shalt not know from whence it riseth: and mischief shall fall upon thee; thou shalt not be able to put it off: and **desolation shall come upon thee suddenly**, *which* thou shalt not know.”
 - **Jeremiah 51:8** – “Babylon is suddenly fallen and destroyed: howl for her; take balm for her pain, if so be she may be healed.”
 - **Luke 21:26** – “Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.”

Iran has built a hypersonic weapon that can fly five times the speed of sound, move in and out of the atmosphere and strike advanced anti-missile systems, Tehran claims

- Iran has built a hypersonic ballistic missile, General Amirali Hajizadeh claimed
- Weapon can travel at high speed and manoeuvre to avoid defences, he said
- Achievement is 'generational leap' in Iran's missile technology, general bragged
- Russia is known to possess hypersonics while China and the US are testing them

[Iran](#) claims to have developed a hypersonic missile that is [unstoppable by all current anti-air defences](#).

General Amirali Hajizadeh, head of the IRGC's aerospace unit, said Thursday that Tehran now possesses a ballistic missile that moves at 'high speed and can manoeuvre in and out of the atmosphere' - making it harder to shoot down.

General Hajizadeh said the missile is designed to target enemy anti-air systems and is a 'generational leap' forward in terms of Tehran's military technology.

Until now, only Russia was known to possess hypersonic technology. [China](#) is thought to have tested a similar weapon last year, while the US is also in testing.

North Korea has shown off what appear to be hypersonic missiles at military parades but it is unclear if the technology is functional. Iran had not publicly acknowledged working on such a weapon before now.
