Torah Studies – Statutes #101-102

Statute Summary:

Because only holy people can keep the Sabbath holy, YHWH wants His Children to make double sure of their Cleansing on the Sabbath. For this reason, twice the Lambs were to be sacrificed on the Sabbath (representing Yahshua's Sacrifice for our sins). Following the double Lamb sacrifice, YHWH's people are to offer double the meat (flour) and drink offerings (representing our acceptable living sacrifice – Romans 12:1 – which is our thanks for Yahshua's Sacrifice).

<u>Numbers 28:9-10</u> "And on the Sabbath day <u>two</u> lambs of the first year <u>without spot</u>, and two tenth deals of flour for a <u>meat offering</u>, mingled with <u>oil</u>, and the <u>drink offering</u> thereof: This is the burnt offering of every Sabbath, beside the continual burnt offering, and his drink offering."

Torah Studies – Statutes #103-106

Statute Summary:

YHWH commands His Children to keep the New Moon by offering specific sacrifices. These sacrifices each point to specific aspects of Yahshua's Atoning Gift. The point in commanding us to keep the New Moons with such offerings is that YHWH wants us to specifically claim the Gift of Yahshua over our homes, family and lives in these specific roles. We no longer literally offer these animals, because they all pointed to Yahshua's Death. But we can spiritually claim the Sacrifice of Yahshua in these Roles: (#103) We are to keep the New Moon by claiming and acknowledging Yahshua's Blood as the most expensive Gift Heaven (bullock) had to offer. As we think of the high cost of our sins, sin become less attractive in our eyes. (#104) We are to keep the New Moon by claiming and acknowledging Yahshua's Role as our Leader and Protector (Ram). As we think of the Saviour's Role as our Leader, we study His Example and choose to follow Him more closely. (#105) We are to keep the New Moon by claiming and acknowledging Yahshua's Blood as the Innocent and Pure One (lamb). As we think of this, we are able to claim Yahshua's Atonement for our sins and be made pure and innocent through Him. (#106) We are to keep the New Moon by claiming and acknowledging Yahshua's Sacrifice as our Substitute. The devil is compared to a goat, this is why a scapegoat was used to symbolize him. Yahshua had to die for the devil's traits in us. As we think of this, we are able to repent for having "seeds" of darkness in our souls and be made clean of it. As with the daily and Sabbath offerings, we are to not only claim Yahshua's Sacrifice, we are also to be the living oblation, returning our gratitude for the tremendous Gift of Salvation through living fully and being willing to die for YHWH (emblemized in the meal and drink offerings). These offerings are acceptable in YHWH's Sight – demonstrated by fire. He sends fire (Pentecost) to consume acceptable sacrifices.

Numbers 28:11-15 "And in the beginnings of your months ye shall offer a burnt offering unto the LORD; two young bullocks, and one ram, seven lambs of the first year without spot; And three tenth deals of flour for a meat offering, mingled with oil, for one bullock; and two tenth deals of flour for a meat offering, mingled with oil, for one ram; And a several tenth deal of flour mingled with oil for a meat offering unto one lamb; for a burnt offering of a sweet savour, a sacrifice made by fire unto the LORD. And their drink offerings shall be half an hin of wine unto a bullock, and the third part of an hin unto a ram, and a fourth part of an hin unto a lamb: this is the burnt offering of every month throughout the months of the year. And one kid of the goats for a sin offering unto the LORD shall be offered, beside the continual burnt offering, and his drink offering."

Torah Studies – Statute #115

Statute Summary:

When someone attempts to curse YHWH's people, it is a serious offense before YHWH! Even though Balaam was unable to curse Israel, the fact that the Moabites hired him to do it was sufficient reason for YHWH to bar them from Life. People from groups which try to curse YHWH's Children cannot fellowship with YHWH's people or partake of Abraham's blessings for ten generations. However, Ruth was a Moabite, and because she repented and chose YHWH as her El, she was not only allowed in the fellowship of the Saved, she was also in the lineage of Christ! As it says in Exodus 20:6, YHWH is merciful to those who love and obey Him.

<u>Deuteronomy 23:3-4</u> "An Ammonite or Moabite shall not <u>enter</u> into the <u>congregation</u> of the LORD; even to their tenth <u>generation</u> shall they not enter into the congregation of the LORD for <u>ever</u>: Because they met you not with bread and with water in the way, when ye came forth out of Egypt; and because they hired against thee Balaam the son of Beor of Pethor of Mesopotamia, to <u>curse</u> thee.

Statute Summary:

Spiritual Israel are not to loathe people who, like the Edomites, are not antagonistic against YHWH's people and have an affinity for YHWH and the Truth. Spiritual Israel are also not to loathe people who, like the Egyptians, are not antagonistic against YHWH's people or Truth, yet are caught in the spiritual bondage of Egypt. We are to be understanding and gentle with such folk, because we ourselves were once caught in the spiritual bondage of Egypt.
