## FEAST OF TABERNACLES RETREAT

October 11-18, 2022

Save the Retreat dates and plan to join us for a special Fall Retreat! The schedule for our upcoming Feast of Tabernacles (Sukkot) Retreat is shown on the following page. You may join us online (for all of the scheduled presentations) and in person. Please RSVP for in-person attendance as we need to insure we have sufficient food and seating for all. To RSVP, call (541) 672-1514.

### What to Expect at this Retreat:

- Mark Manfredine will give a new series on the 119th chapter of Psalm, called "**Hebrew Wisdom in Psalm 119**". The theme of Psalm 119 is the Torah, which is extolled in 22, 8-verse sections, each developed around a letter of the Hebrew aleph-bet. Sukkot is the time when the Torah is to be our special focus. This year, we will focus on the Torah and Hebrew through the lens of Psalm 119, with the added blessing of learning the Torah meanings in the Hebrew aleph-bet
- Shauna Manfredine will give a new series based upon one of her new booklets, called "**God's Stars in Ancient Archaeology**". In this series, Shauna will prove with photos, historical and Scriptural quotes and records that the oldest art on earth is Mazzaroth-related (the Mazzaroth is Job's word for the original constellations and stars). Discover how the heavens

were the first Bible, evidence that the Biblical patriarchs were all Astronomers - and why - and how many ancient cave paintings, and monoliths were made by Yahweh-worshippers for the purpose of Biblical Astronomy!

### Celebration and Sukkot Joy:

On the non-Sabbath days, we will be doing crafts, taking afternoon trips, hiking, and generally having fun together. Sukkot is a time of great joy! Catch the excitement and celebrate with the whole family! Also, each evening, we'll come together for singing, prizes, roasting S'mores (using only Kosher marshmallows, of course), stories, fellowship - and some stargazing - around the campfire.

### Camping & Retreat Details:

There is no charge for attendance. Camping/hotel arrangements must be made by participants, off grounds. Local camping & hotels include:
