

My Blessings in the Torah

1. By reading/studying/meditating in Torah, I will be blessed with increased wisdom & spiritual enlightenment (Psalm 19:7-12)
2. By meditating on and aligning my life with Torah, I will be blessed with true success (Psalm 1:1-3)
3. By studying Torah and aligning my life with it, I will partake of increasing spiritual freedom and deliverance (Proverbs 5:22; Psalm 119:92)
4. By studying Torah and aligning my life with Yahweh's Will, the devil's legal rights over me will break/decrease and Yahweh's legal right to put a strong Wall of Protection around me will increase.
5. Torah is the Rules of Yahweh's holy Kingdom—on and off world. As we increasingly learn/keep Torah, we do our part in the Prayer "Thy Kingdom come, on earth, as it is in Heaven..."
6. Lawlessness is the way of death. Living in Torah is the Way of Life. Torah quickens!

Make a Workable Plan

To get the biggest blessing in your life through this time in Torah, plan to increase successfully:

- Keep your plan SUSTAINABLE. Think "marathon", not "sprint"...
- Keep your goals ACCOUNTABLE. Share your plan with the class or one person...
- Be CONSISTENT, without getting discouraged if there are unforeseeable hiccups...
- In times of "hiccups" try to REDUCE your time to adjust rather than quit...
- Do not measure your success by what others do. Plan to personally INCREASE. If you are doing more than you did formerly, you are succeeding.

My Personal Plan for Increasing in the Torah

I plan to increase in Torah in the following, sustainable ways (check all that apply):

- ☐ I plan to attend the Torah class LIVE, 1x per week and watch the video of the missed class.
- ☐ I plan to attend the Torah class LIVE on Mondays and Wednesdays, with rare exceptions.
- ☐ I cannot attend the class LIVE, but I plan to watch all the class videos at a later time.
- ☐ I plan to complete the Daily Torah Portions & Bible Readings.
- ☐ I plan to personally complete all the worksheets
(which will involve some class help and some work on my own).
- ☐ I plan to print the instructor's completed worksheets
- ☐ I plan to make a personal Torah binder so that I can learn/study the Torah beyond the course.
